Dear Contestant:

Congratulations on qualifying for the 105<sup>th</sup> California Amateur Championship! In just a few months' time, one of your names will be engraved on our prestigious trophy along with the likes of George Von Elm, Ken Venturi, Gene Littler, Johnny Miller and Mark O'Meara.

Although this great championship is now more than 100 years old, 2016 marks only the fifth time it will be contested in Southern California. We are pleased and honored to offer you Valencia Country Club as this year's host venue. Entrenched in a history of prestigious championships, Valencia CC hosted the PGA Tour's LA Open in 1998 and Senior Champions Tour from 2001 – 2009. We feel privileged to add the California Amateur Championship to this list.

All contestants will play 36 holes of stroke play over the first two days of the championship. The low 32 players will then advance to match play, which will begin on Wednesday. I'm confident you will enjoy the course and your experience at Valencia CC.

Enclosed is important information on all aspects of the championship. Please review the information as it is intended to help make your championship experience go as smoothly as possible.

I wish you all the best and will see you on the tee!

Sincerely,

Al Frank  
President, California Golf Association

Winners include: Jim Colbert, Gil Morgan and Tom Kite. Our Robert Trent Jones Sr. design has been a great test for each event we have hosted.

While here as our guests, we hope that you will enjoy Valencia's commitment to great service and to the 105<sup>th</sup> California Amateur Championship.

Once again, we are privileged to have one of the nation's most storied Amateur Championships contested here at Valencia. We wish you the very best during the Championship.

Sincerely,

Los Angeles International Airport – LAX (approx. 40 miles from Valencia CC)

## RULES OF PLAY

- Play is governed by the Rules of Golf, effective January, 2016.
- A Notice to Players addendum will be distributed at the championship site. Disregard all other club posted Local Rules including those on the back of the club's score card.
- The Note to Rule 14-3 will be in effect, allowing players to use a distance-measuring device.

## TRANSPORTATION

Automotive transportation is not permitted for players or caddies. Disabled players must file a "Disabled Cart Request" form with the SCGA. Forms may be requested from the SCGA Rules and Competitions Department at (818) 980-3630 or [rules@scga.org](mailto:rules@scga.org).

**Pull or push carts will not be permitted.**

## CADDIES

Players may provide their own caddie. All caddies must adhere to the dress code. Caddies will be issued an official caddie bib at the tee prior to each round which must be worn during the round and returned each day. Players bringing their own caddie are responsible for their conduct at all times while on the club's property.

## DISTANCE-MEASURING DEVICES AND CELL PHONES

A player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 14-3. A multi-functional device, such as a smartphone or PDA, may be used as a distance-measuring device, but it must not be used to gauge or measure other conditions where doing so would be a breach of Rule 14-3. Any questions about such devices should be resolved before the start of the stipulated round. Otherwise, cell phone use is discouraged during the stipulated round.

## DRESS CODE

Players and caddies must be properly attired in golf shirts, slacks, Bermuda-length dress or golf shorts and soft spike shoes. Jeans (any color or any kind), T-shirts and tank tops will not be permitted. Shirts must be tucked in and hats are to be worn forward at all times.

## PACE OF PLAY POLICY

### **STROKE PLAY**

The Committee will determine the maximum allowable time each group is permitted to play the stipulated round. This time will be posted on each player's score card and each player is expected to maintain a pace faster than the maximum allowable time. The stipulated round is complete when the last player in the group completes play of the final hole and the flagstick is replaced.

### **Lead Group(s)**

The lead group(s) must finish their stipulated round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, each player will be assessed a penalty of two strokes to their score for the final hole.

- Exception: If the lead group is held up by play that began on the opposite tee, they will be exempt from penalty if they finish over their maximum allowable time but within 14 minutes of the group in front of them.

### **Following Groups**

Any subsequent group must finish their stipulated round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, they must finish within 14 minutes of the group in front of them. If they finish over the maximum allowable time and more than 14 minutes behind the group in front of them, each player will be assessed a penalty of two strokes to their score for the final hole.

### **Exemptions from Penalty**

If a group does not finish within their maximum allowable time due to circumstances beyond their control (such as a ruling or a ball search on the final hole, or any other circumstances which the Committee deems to be exceptional) but was otherwise in position during the play of the final four holes, the Committee may be justified in waiving the penalty. Being in position means to be immediately behind the group in front of you.

Any group that has a slow, deliberate or non-responsive player(s) may report the player(s) to NCGA/SCGA Staff or a NCGA/SCGA Rules Official at any time during the stipulated round, and the player(s) will be monitored. If NCGA/SCGA Staff or a NCGA/SCGA Rules Official identifies that a player(s) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while the others may not.

**The Committee reserves the right to review all penalty situations.**

## **MATCH PLAY**

Rule 6-7 of the Rules of Golf requires that a player “shall play without undue delay.” Notes 1 & 2 under Rule 6-7 are in effect.

### **Out of Position**

The first group to start will be out of position if, at any time during the round, the group is behind the maximum allowable time to play.

Following groups will be considered out of position if, at any time during the round, the group is behind the maximum allowable time to play, and when approaching a tee, there is an open par-3 or par-4 hole or the preceding group is on the green of a par-5 hole.

### **Monitoring**

- a. If a group is determined to be out of position at any time, the group will be advised that it is out of position and each player in the group will be monitored and timed.
- b. If any player in a group that is being monitored takes more than 40 seconds to play a stroke, the player will automatically incur the applicable penalty for breach of these guidelines.

### **Timing**

- a. Timing shall begin when the player has had a reasonable opportunity to reach the ball, there is no interference from another person or ball, and it is the player’s turn to play.
- b. Any time spent walking backward or forward for measuring or other purposes will count as part of the time taken.
- c. On the putting green, a player will be allowed a reasonable time to lift, clean, and replace his ball, repair his ball mark, remove loose impediments and repair other ball marks on the player’s line of putt.
- d. When a group has regained its position, timing will be discontinued.
- e. In the event that the group is monitored later in the round, previous warnings and penalties will carry over.

### **Penalties**

- 1<sup>st</sup> offense – warning
- 2<sup>nd</sup> offense – loss of hole
- 3<sup>rd</sup> offense – warning
- 4<sup>th</sup> offense – disqualification

Play is governed by the Rules of Golf, the following Local Rules subject to amendments by the CGA Rules Committee, and the Notice to Players addendum distributed at each site.

Unless otherwise noted, the penalty for breach of a Local Rule or Condition is:  
Match Play – Loss of hole; Stroke Play – Two strokes.

### CONDITIONS OF COMPETITION

**List of Conforming Driver Heads (Note to Rule 4-1a)** – Optional Condition as prescribed in Appendix I is in effect.

**List of Conforming Golf Balls (Note to Rule 5-1)** – Optional Condition as prescribed in Appendix I is in effect.

**Pace of Play (Note 2 to Rule 6-7)** – See separate memorandum to players for pace of play guidelines. The CGA Pace of Play Policy can also be found at the starter's table.

**Discontinuance of Play (Note to Rule 6-8b)** – Optional Condition as prescribed in Appendix I is in effect.

**Score Cards** – A player is deemed to have returned his score card once he has left the scoring area.

**Transportation** – Optional Condition as prescribed in Appendix I is in effect. (Exception: At sectional qualifying, if the conditions/terrain of the course makes walking impracticable to do so, players and/or caddies may use carts. A maximum of two carts per group are allowed. Such an exception will be determined by the Committee well in advance).

**Close of Competition** – A competition is deemed to have closed when the result (including the result of a playoff, if applicable) has been officially announced or, in stroke play qualifying followed by match play, when the player has teed off in his first match.

**Serious Breach of Etiquette** – The use of abusive language, throwing of clubs or other disruptive behavior contrary to the good conduct of the tournament will not be tolerated. Further disciplinary action may be imposed, including suspension from future events. **Penalty: Disqualification (Rule 33-7).**

## LOCAL RULES

**Distance-Measuring Devices (Note to Rule 14-3)** – The use of devices is permitted in all California Amateur Championships.

**Embedded Ball Through the Green** – Local Rule as prescribed in Appendix I is in effect.

**Water and Lateral Water Hazard Stakes and Lines** – When a water hazard or a lateral water hazard is defined on only one side, it is deemed to extend to infinity. When a water hazard or lateral water hazard is bounded by out of bounds, the hazard margin extends to and coincides with the out of bounds line.

**Out of Bounds (Dec. 27/20)** – A ball which crosses a public road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course.

**Ground Under Repair** – Defined by white lines and/or stakes. French drains are deemed to be ground under repair (Rule 25-1).

**White-Lined Areas Tying into Artificially-Surfaced Roads and Paths (Dec. 33-8/25)** – have the same status as the roads and paths, that of obstructions.

**Aeration Holes** – The Local Rule as prescribed in Appendix I is in effect.

**Seams of Cut Turf (Sod Seams)** – The Local Rule as prescribed in Appendix I is in effect.

**Edging Grooves (Dec. 33-8/24)** – If a ball lies on an edging groove around a putting green, the player may, without penalty, lift the ball, clean it and place it out of the groove in the nearest position to where it lay, whether on or off the putting green, which is not nearer the hole.

**Wood Chips and Mulch** – are loose impediments, unless otherwise provided for in *Notice to Players*.

**Integral Parts of the Course** – include artificial walls and pilings when located in hazards, unless otherwise provided for in *Notice to Players*.

**Power Lines (Dec. 33-8/13)** – If a ball strikes an overhead power line, the stroke is canceled and the player must play a ball as nearly as possible at the spot from which the original ball was played in accordance with Rule 20-5. See *Notice to Players* for further clarification.

## HOLE-BY-HOLE DESCRIPTIONS

### **No. 1: 540 yards, Par 5**

Two well-played opening shots will offer the best chance to make birdie out of the gates. Strategic bunkering can make the green difficult to hit for longer approach shots, and two-putting can be a challenge given the wide variety of difficult hole locations. Players may reach the green in two with a long drive down the right center of the fairway.

### **No. 2: 400 yards, Par 4**

One of Valencia's most difficult holes, an accurate, right-to-left tee shot is required to set up the ideal approach shot into this well bunkered and elevated green. Par is a good score on this hole.

### **No. 3: 237 yards, Par 3**

Water on the right and a difficult up-and-down from the left makes this Valencia's toughest Par 3. It is imperative for players to aim for the left center of the green as the right side slopes towards the lake guarding the right side.

### **No. 4: 422 yards, Par 4**

A beautiful view from the back tee, this medium-length Par 4 features the deepest green on the golf course. Hitting the fairway is important as this hole puts a premium on distance control into this well-guarded, three-tiered green.

### **No. 5: 367 yards, Par 4**

Don't let this hole's short yardage deceive you. Valencia's deepest bunker guards the right front of this elevated, shallow green. The front left portion of the green slopes severely back towards the fairway. Distance control is the key to playing this hole well.

### **No. 6: 427 yards, Par 4**

A long tee shot to the left part of the fairway will set up the player to attack this difficult green. Water lurks deceptively all the way to the large green's front edge that features an extreme slope to the right.

**No. 7: 185 yards, Par 3**

Conservative tee shots towards the center of the green will allow the player to putt to any part of this green while avoiding the water short and right of this narrow putting surface. Shots missing the green on the left or behind will make getting up and down difficult.

**No. 8: 369 yards, Par 4**

From the tee, consider a fairway wood or long iron to miss the water on the right side of the fairway. Short iron second shots must find the correct tier to produce a reasonable birdie opportunity.

**No. 9: 512 yards, Par 4**

Tee shots challenging the bunkers on the right side of the fairway will shorten this hole. Controlling the distance into this green will be the key to making a good score. It has been converted to a Par 4 for the championship.

**No. 10: 470 yards, Par 4**

The back nine starts with Valencia's longest par 4 at 470 yards. Longer hitters have the advantage as they can reach the flat area of the fairway which helps players hit the correct approach shot into this large, well-protected green. Par is a good score on this hole.

**No. 11: 400 yards, Par 4**

Accurate play from the tee will set up a short iron second shot into this large green. The green is protected by water on the left and bunkers on the right.

**No. 12: 387 yards, Par 4**

Aim for the center of the fairway on this short, dogleg right Par 4. Distance control is important for the second shot as this green has a large mound separating the front and back portions of this green.

**No. 13: 386 yards, Par 4**

Similar to No. 12, a drive to the corner of the fairway will offer an open view of the large green. It is important to get the ball in the correct area on the second shot to take advantage of this short Par 4.

**No. 14: 211 yards, Par 3**

This is the only Par 3 without water at Valencia CC. An accurate tee shot is the key to making a good score on this hole.

**No. 15: 529 yards, Par 5**

A long tee shot that avoids trees and bunkers on the right will tempt players to reach the well protected green in two. Eagles and Double Bogeys are possible when challenging this Par 5.

**No. 16: 202 yards, Par 3**

Hitting the right club is the biggest challenge on the final par 3 at Valencia CC. This wide, shallow green is protected by a large lake in front and bunkers behind.

**No. 17: 466 yards, Par 4**

Two solid shots are required to hit this large, undulating green in regulation. Like No. 4, this is a three tiered green and a miss-club can leave the player a long putt. Par is a great score on Valencia's second longest Par 4.

**No. 18: 566 yards, Par 5**

A great Par 5 finish. Longer hitters can get there in two, while shorter hitters or those who miss the fairway off the tee will need a well-placed wedge to challenge this demanding finishing hole. If a player is out of position off the tee, making par can be a tall task.
