

2018 TEAM PLAY ENTRY INFORMATION & OFFICIAL ENTRY FORM

ENTRY DEADLINE: FRIDAY, NOVEMBER 10, 2017

Welcome to the 2018 SCGA Team Play season. Your club can be a part of one of the largest and most exciting programs administered by the SCGA. Entries must be completed and returned to the SCGA by Friday, November 10, 2017.

CLUB ELIGIBILITY: Each club submitting an entry application must be identified as the “club of record” at its facility and must maintain at least one 18-hole (5,000 yards or more in length) golf course. Each club must have a current certified Handicap Chair. Certification can be obtained by completing an SCGA Handicap Certification Class, offered throughout the year. Additionally, all clubs must be in compliance with the USGA License Agreement. Without a certified Handicap Chair and updated license, your club will not be eligible to participate in SCGA Team Play.

Clubs are limited to entering one team in Thursday play and one team in Saturday play unless the club maintains two 18-hole courses (a club may enter two teams on each day if two 18-hole 5,000-yard courses are maintained). If a club is entering two teams, a separate application must be submitted for each team.

DEFINITION OF TEAM: Each club will submit a team for each of the season’s matches consisting of 16 eligible players. Each club is expected to field a team and compete as scheduled in accordance with the guidelines established in the Team Play Manual.

PLAYER ELIGIBILITY: Players must be 21 years of age or older as of the date of the match they participate in and must have a Low Handicap Index (LHI) of 18.4 or lower. Individuals with a LHI greater than 18.4 may play, but will be lowered to an index of 18.4 for any match he/she participates in. All players must be listed on the club’s active GHIN roster that he/she wishes to compete for as of January 11, 2018. Each player must have 10 scores posted by December 31, 2017, representing rounds of golf played in the year 2017.

GROUP SELECTION: The SCGA encourages clubs to form their own groups for the regular season. The Group Selection Form must be completed and submitted along with the club’s entry form. If a club is not part of a group, the SCGA will attempt to pair the club with other clubs that are similar and in geographic proximity. There is no guarantee or presumption that a club that submits an entry without being part of a group will be able to participate in Team Play. The SCGA’s decision to pair groups is deemed

to be final. The sole remedy of a team that is not assigned to a group, or which is assigned to a group in which it does not want to play, is to withdraw its application and receive a refund of its entry fee.

TEAM PLAY FORMAT: SCGA Team Play consists of clubs competing against each other using both four-ball and singles match play formats. All matches are played using handicaps. Points won by all sides and players throughout the match are tallied to determine which team wins the match.

SCHEDULE: Regular season matches will begin on Jan. 11 (Thursday Team Play) or Jan. 13 (Saturday Team Play). Group winners will advance to a single-elimination playoff system which will begin after the regular season.

HOST CLUB REQUIREMENTS: Logistics such as green fees (if applicable), practice rounds, food and beverage, golf carts and caddies should all be determined amongst the group in advance of the season.

CONDUCT: The provisions of the Team Play Manual regarding player conduct are incorporated here.

ENTRY FEE: \$200. Payment must be received by the SCGA along with this entry no later than Friday, November 10, 2017. Entries may be submitted by mail or email to:

The Team Captain will adhere to all 2018 Team Play rules and regulations. He/She has reviewed the enclosed "2018 Team Play Entry Information" sheet and agrees to be bound by it. The Team Captain understands that the SCGA is the final authority on matters relating to Team Play.

We understand that valid Handicaps are essential to fair competitions, including SCGA Team Play. We understand that it is part of our responsibility to ensure that members of our Club's SCGA team each maintain a valid Handicap Index, reflecting their potential ability in accordance with the USGA Handicap System Manual. We have controls in place to ensure compliance with the USGA Handicap System Manual by all of our members, including SCGA Team players. In particular, we have controls in place to ensure that our members post all acceptable scores and do not manipulate their scores by any of the actions listed in Section 8-4c(iv) of the USGA Handicap Manual or by any other means.

To the best of our knowledge, all of our Club's SCGA Team players play golf with their peers in our club using the same Handicap Index they use for SCGA Team Play.

2018 TEAM PLAY GROUP SELECTION FORM

The SCGA encourages teams to form their own groups; however, teams also have the ability to submit an entry as a single and allow the SCGA to attempt to place them into a group with fewer than four existing teams. If a team chooses this option, the SCGA will attempt to pair the team with other clubs that are similar and in geographic proximity. A club that submits an entry and is not part of a group is not guaranteed to be able to participate in Team Play. All decisions related to groupings are at the sole discretion of the SCGA and are deemed to be final.

- Our club has formed a group of four teams (complete form below).
- Our club has formed a group of three teams and understands that the SCGA may fill our group with a fourth team at the sole discretion of the SCGA (complete form below).
- Our club is not part of a group and authorizes the SCGA to assign us to a group. We understand that this decision is at the sole discretion of the SCGA and that we are not guaranteed a spot in Team Play.
