CGA PRESIDENT'S MESSAGE

DEAR COMPETITORS,

Welcome to the 109th California Amateur Championship at Torrey Pines GC. The championship will be conducted on both the North and South Courses, which play host to prestigious professional events, from the PGA Tour's annual Farmers Insurance Open, to the unforgettable 2008 U.S. Open, and soon again, the U.S. Open Championship in 2021. Additionally, with names like Xander Schauffele, Mark O'Meara and Johnny Miller etched in our history books, it's safe to say you are in good company.

We know Torrey Pines GC will provide an excellent environment for fierce competition and a memorable experience with only the best playing conditions possible and stunning views of San Diego all week long.

On behalf of the CGA, I would like to congratulate all of you who qualified within a record-setting field of more than 1,100 entries. It's a wonderful opportunity to precede next year's U.S. Open, especially during such an unprecedented time battling COVID-19 and the uncertainty that goes along with it. In a moment of time where golf was put on hold indefinitely, we are grateful to see the California Amateur Championship live on.

We remain committed to safely conducting our events given the ongoing nature of the pandemic. Please be sure to review the contents in this Handbook, which are intended to assist you in your preparations for the championship.

Play well,

Chris Wilson

TORREY PINES GOLF CLUB HISTORY

Torrey Pines Golf Course is a 36-hole municipal public golf facility, owned by the city of San Diego. It sits on the coastal cliffs overlooking the Pacific Ocean in the community of La Jolla, just south of Torrey Pines State Reserve. Opened 63 years ago in 1957, it was built on the site of Camp Callan, a U.S. Army installation during World War II.

Torrey Pines has two famous 18-hole golf courses, North and South, both designed by William F. Bell (son of noted course architect William P. Bell). The South Course was redesigned by Rees Jones in 2001, and is now 7,802 yards in length from the back tees with par at 72. The North Course was redesigned by Tom Weiskopf in 2016, switching the front nine with the back nine so that the famous ocean views are now enjoyed by golfers finishing their rounds.

Since the late 1960s, Torrey Pines has hosted the Farmers Insurance Open on the PGA Tour. Held annually in January or February, the tournament uses both courses for the first two rounds and the South Course for the final two rounds. Torrey Pines hosts the San Diego City Amateur Golf Championships every July, and the Junior World Golf Championships every July. It hosted the 2008 U.S. Open on the South Course, won by Tiger Woods in sudden-death after an 18-hole playoff versus Rocco Mediate. Torrey Pines is scheduled to host the 2021 U.S. Open on the South Course.

The course is named for the Torrey Pine, a rare tree that grows in the wild only along this local stretch of the coastline in San Diego County and on Santa Rosa Island.

PLAYER INFORMATION

STARTING TIMES AND PAIRINGS

Starting times and pairings will be e-mailed to players and posted online at scga.org and ncga.org. Players are encouraged to arrive at their assigned tee well in advance of their starting time, as the starter will have information to discuss with each player in the group. Furthermore, players arriving late will be penalized under Rule 5.3a of the Rules of Golf. For example, the 9:00 a.m. starting time is defined as 9:00:00, and players arriving after that time are considered late. Lead groups should plan to be at their assigned tee 10 minutes in advance of their starting time. Subsequent groups are encouraged to arrive once the preceding group has teed off.

Materials such as tees, pencils, and hole location sheets will not be distributed until further notice. Refer to the championship's COVID-19 Guidelines for Competitions for further instructions.

PRACTICE ROUNDS

The City of San Diego is generously reserving space on its tee sheet - including during twilight hours - for participants in the California Amateur Championship.

- Practice rounds may be scheduled by calling Torrey Pines GC at (858) 552-1662 between July 1 – 17 (on Mondays – Fridays) between the hours of 8:30 a.m. to 3 p.m. (with strong preference between 8:30 - 9 a.m.)
- If unable to reach someone in the office, email mc-jones@sandiego.gov with a subject line of "STATE AM PRACTICE" and specify your requested date and time within the email.
- Participants must identify themselves as a contestant in the California Amateur Championship.
- The following practice round rates will apply, all of which have been discounted 25% for participants:

North Course Rates:

Twilight: \$72 (weekday); \$91 (weekend)
Non-Twilight: \$92 (weekday); \$114 (weekend)

South Course Rates:

Twilight: \$122 (weekday); \$151 (weekend)
Non-Twilight: \$152 (weekday); \$189 (weekend)

PARKING AND REGISTRATION

- Ample parking is available at the facility.
- All participants must check in at the registration table located on the main deck outside the Golf Shop on either Sunday, July 26 (12 – 3 p.m.) or Monday beginning at 5:30 a.m.

DRIVING RANGE & PRACTICE FACILITIES

The driving range and practice facilities will be open by 5:45 a.m. each day of the championship.

TEES AND HOLE YARDAGES

Play will predominantly be from the course's tournament yardages; however, there will be significant variety throughout the championship. [Click here](#) for hole-by-hole yardages for both the North Course and South Course.

LOCKER ROOM

There is not a locker room available on-site.

FOOD SERVICE

Information regarding the availability of food and beverage will be distributed to contestants closer to the championship.

GOLF SHOP PURCHASES

Cash or major credit cards will be accepted for all purchases on property.

SPECTATORS

- **Spectators are prohibited during the first two rounds of the California Amateur Championship.**
- Two spectators per player will be permitted starting on the Round of 32 (Wed., July 29)
- Spectators must always maintain social distancing and must walk.
- If spectators have any questions leading up to the event, please contact the SCGA Championships & Golf Operations.

PHOTO GALLERY

Professional photos will be taken throughout the championship. Photos will be available online and are available for download and purchase at scga.pixieset.com.

LODGING

The host hotel for the championship is the Hilton La Jolla Torrey Pines, conveniently located on-site. **Reservations should be made as soon as possible by [clicking here](#).**

RULES OF PLAY

- Players must familiarize themselves with the championship's [COVID-19 Guidelines for Competitions](#).
- [The Rules of Golf](#) as approved by the USGA and The R&A govern play.
- Local Rules and Terms of the Competition can be found on the [CGA Hard Card](#) and the Notice to Players that will be emailed to players the day prior to the qualifier.
- Click here to review the [CGA Pace of Play Policy](#).

AUTOMOTIVE TRANSPORTATION

- During a round, a player must not ride on any form of motorized transportation except as authorized or later approved by the Committee (Model Local Rule G-6).
- Players seeking to use a golf cart due to a medical or ADA-related reason must make arrangements with championship staff in advance of the championship.
- Pull or push carts are permitted.

CADDIES

Caddies are prohibited until further notice.

DRESS CODE

- Players must be properly attired in golf shirts, slacks, Bermuda-length dress or golf shorts and soft spike shoes.
- Shirts must be tucked in and hats must be worn forward.
- Jeans (any color or any kind), T-shirts, and tank tops are prohibited.

MOBILE DEVICE POLICY

- Players, caddies, and spectators should turn mobile devices off or to silent mode while on the property and limit calls to the club's parking lot.
- Live scoring will be available throughout the championship at scga.org and ncga.org.

CODE OF CONDUCT

By submitting an entry for any CGA-administered competition, the contestant understands that his/her participation is at the sole discretion of the CGA. A contestant may be removed from any competition at the discretion of the CGA staff or Championship Committee at any time before or during the competition. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the CGA or the "Spirit of the Game" are grounds for such removal and suspension from future CGA-administered competitions. These include, but are not limited to, the following:

- Willful damage of the golf course or golf course property
- Club throwing or unnecessary club tossing
- Offensive or unbecoming language
- Public criticism of golf course or verbal abuse of CGA staff, officials, volunteers, host club staff or other contestants
- Potential endangerment of others
- Conduct deemed unbecoming
- Failure to post scores for handicapping purposes
- Manipulation of scores posted for handicapping purposes

CANCELATIONS & REFUNDS

- To withdraw for any reason prior to the start of the championship, a player must notify the SCGA Championships & Golf Operations Department at champs@scga.org or (818) 980-3630.
- Failure to notify tournament staff will subject the player to suspension from future CGA competitions.

Refund Policy:

- **Cancellation prior to the entry closing date:** Full refund less a \$10 administrative fee.
- **Cancellation after the entry closing date and more than 48 hours prior to the start of the competition:** 50% of the entry fee.
- **Cancellation within 48 hours of the start of the competition:** No refund.

PACE OF PLAY POLICY

The Tournament Committee at each competition will determine the maximum allowable time each group is permitted to play the round. This time will be posted on each player's scorecard and each player is expected to maintain a pace faster than the maximum allowable time. The round ends when all players in the group have holed out at the final hole. In four-ball stroke play, the round ends when all sides complete the final hole, either by both partners holing out or by one partner holing out on the final hole and the other partner choosing not to do so.

LEAD GROUP(S):

The lead group(s) must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, **each player will be assessed a penalty of two strokes** to their score for the final hole.

- Exception: If the lead group is held up by play that was sent out before them, or play that began on another starting hole, they will be exempt from penalty if they finish over their maximum allowable time but within **14** minutes of the group in front of them.

SUBSEQUENT GROUPS:

Subsequent groups must finish their round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, they must finish within **14** minutes of the group in front of them. If they finish over the maximum allowable time and more than **14** minutes behind the group in front of them, **each player will be assessed a penalty of two strokes to their score for the final hole.**

EXEMPTIONS FROM PENALTY:

If a group does not finish within their maximum allowable time due to circumstances beyond their control (such as a ruling or a ball search on the final hole, or any other circumstances which the Committee deems to be exceptional) but was otherwise in position during the play of the final four holes, the Committee may be justified in waiving the penalty. Being in position means to be at a point on the course within 14 minutes of when the group in front of you was at that same point.

Any group that has a slow, deliberate, or non-responsive player may report the player to SCGA officials at any time during the round and the player will be monitored. If the tournament committee identifies that a player (or players) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while others may not.

THE CGA TOURNAMENT COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.

LOCAL RULES AND TERMS OF THE COMPETITION

The Rules of Golf as approved by the United States Golf Association and The R&A Rules Limited govern play. These Local Rules and Terms of the Competition are in effect at all California Amateur Championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019.

Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty.

OUT OF BOUNDS — Defined by the line between the course-side points, at ground level, of white stakes and fence posts.

PENALTY AREAS — When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

GROUND UNDER REPAIR — Defined by white lines. French drains are ground under repair.

RELIEF FROM SEAMS OF CUT TURF (SOD SEAMS) ⓘ — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-7.

AERATION HOLES ⓘ — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule E-4.

EDGING GROOVES ⓘ — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-19.

WHITE-LINED AREAS TYING INTO ARTIFICIALLY SURFACED ROADS AND PATHS — White-lined areas of ground under repair and the artificially surfaced roads, paths or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under Rule 16.1.

WOOD CHIPS AND MULCH — Are loose impediments.

INTEGRAL OBJECTS — Include artificial walls and pilings when located in penalty areas and bunkers.

PROHIBITING USE OF CERTAIN TYPES OF SHOES ⓘ — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-7.

LIST OF CONFORMING DRIVER HEADS ⓘ — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-1.

BROKEN OR SIGNIFICANTLY DAMAGED CLUB ⓘ — Local Rule as prescribed in the Clarifications to the 2019 Rules of Golf is in effect. Model Local Rule G-9.

BACK-ON-THE-LINE-RELIEF ⓘ — Local Rule as prescribed in the Clarifications to the 2019 Rules of Golf is in effect. Model Local Rule E-12.

PRACTICE — Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

PACE OF PLAY — See separate memorandum to players for pace of play policy.

STOPPING AND RESUMING PLAY ⓘ — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes. Resumption of play will be signaled by two short air horn notes.

WHEN COMPETITION IS FINAL — A competition is deemed to have closed when the result (including the result of a playoff, if applicable) has been officially announced or, in stroke play qualifying followed by match play, when the player has teed off in his/her first match.

CODE OF CONDUCT* — By submitting an entry for any CGA-administered competition, the contestant understands that his/her participation is at the sole discretion of the CGA. A contestant may be removed from any competition at the discretion of the CGA staff or Championships and Golf Operations Committee at any time before or during the competition. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the CGA or the "Spirit of the Game" are grounds for such removal and suspension from future CGA-administered competitions. These include, but are not limited to, the following:

- Willful damage of the golf course or golf course property
- Club throwing or unnecessary club tossing
- Offensive or unbecoming language
- Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants
- Potential endangerment of others
- Conduct deemed unbecoming
- Failure to post scores for handicapping purposes
- Manipulation of scores posted for handicapping purposes

PENALTY FOR BREACH OF CODE OF CONDUCT

FIRST OFFENSE: Warning

SECOND OFFENSE: Disqualification

*The Committee may disqualify a player for serious misconduct in failing to meet the Code's standards.

WILLIAM MOUW
2019 CALIFORNIA AMATEUR CHAMPION

2019 CHAMPIONSHIP RECAP

YOUNG TALENT, OLD TROPHY: PEPPERDINE'S MOUW TAKES CAL AM TITLE

Chino resident William Mouw entered the 108th California Amateur Championship as the highest ranked player in the field in the World Amateur Golf Rankings.

The 18-year-old Pepperdine freshman-to-be lived up to the billing and will soon be making a quick ascent up from what will be a former No.58 ranking.

The No.24 seeded Mouw became one of the youngest California Amateur winners ever after defeating No.3 Christian Banke, 4 and 2, in Saturday's 36-hole finale on the Dunes Course at Monterey Peninsula Country Club. The youngest champ ever remains Mac Hunter, who captured the title in 1972 at the age of 16.

Regardless, Mouw's name joins a list of champions that includes Ken Venturi, Johnny Miller and Mark O'Meara.

"It feels great. It's an honor to have my name with those guys," said Mouw, who prepped at Ontario Christian High. "It was a great match. We both played great."

Down a hole following the morning 18, Mouw instantly knotted things up with a win on the 19th hole when he stiffed his approach to within 3 feet of the pin for birdie.

After tying the next four holes, Mouw grabbed his first lead since early in the match when he drained a 15-foot putt for birdie on the par-4 24th hole (No.6). From there, his putter began heating up. Two holes later on the 26th hole (No.8), he sank a 7-foot birdie to go 2-up.

Following a Banke bogey on the par-3 28th hole (No.10), Mouw held a commanding 3-up lead. Banke, a senior at San Diego State and the younger brother of 2014 California Women's Championship winner Sara Banke, got one hole back with a win on the par-4 29th hole (No.11) after nearly driving the green, but he'd never get any closer.

Just a hole later, Banke's approach shot found the greenside bunker, leading to a bogey and re-upping Mouw's cushion to 3-up. On the 34th hole (No.16), Banke tried to make something happen but pulled his drive far left. His second shot never reached the green, while Mouw got on in two. Banke's

last gasp third shot stopped far short of the flagstick, sealing the victory for Mouw.

"My putting wasn't the best this week. I just told myself to just keep going. Some will eventually fall," Mouw said. "I'll enjoy this win, and then go home and get back to work on the greens."

In the morning 18, Mouw at first looked like he was going to run away with it. He'd quickly build a 3-up lead through the first six holes before Banke, who had his father, Dana Banke, on the bag as caddie clawed his way back to not only tie the match but take a 2-up lead. A birdie on the 18th helped Mouw close the gap to just one hole as the two entered the break.

All week long, Mouw was able to rely on his father, Billy, who was his caddie, for support. Billy Mouw owns and operates a chicken farm in Chino.

But Mouw also got help during the week via some phone calls with his mental coach. That also helped Mouw get through the grind of what is a long week. Over just the last two days of competition, Mouw estimated that he'd walked a total of around 23 miles.

"My mental coach and I talked about how long the week is and that I needed to just keep plodding along with no big expectations. Visualize, verbalize and realize," said Mouw, who hit 15 of 16 greens in the afternoon round. "This is going to be a great confidence booster going into college."

HOLE-BY-HOLE DESCRIPTIONS

SOUTH COURSE

HOLE 1

PAR 4
450 YARDS

The tee shot on this slight dogleg right should favor the left of the fairway, leaving a clear path to a green that slopes up and away from the approach. The green is protected on both sides by bunkers.

HOLE 2

PAR 4
389 YARDS

The safe play is a tee shot down the left that should find a flat part of the fairway from which players can hit full shots of about 130 yards into a green that slopes severely from back to front.

SOUTH COURSE

HOLE 3

PAR 3

200 YARDS

Each day will present a different look, as two teeing grounds will be used. The two-level putting surface, falling dramatically from left to right, is deceptively difficult. The “shorter” days will get the tougher hole locations.

HOLE 4

PAR 4

488 YARDS

Seven Torrey Pines have been moved from the left of the fairway to the right to open up the cliffs on the left. The approach should be a long iron or utility club to a narrow putting surface that sits hard by the cliffs.

SOUTH COURSE

HOLE 5

PAR 4

454 YARDS

The key on this relatively straight hole is the approach: the ball should come to rest on the front portion of the sloping green to give any chance of birdie.

HOLE 6

PAR 5

560 YARDS

Players can attack this par 5 by carrying the canyon on the right with a high draw. Otherwise, the prudent shot is down the left, avoiding five fairway bunkers. The difficulty on the second shot will be getting a long approach to land softly on the green.

SOUTH COURSE

HOLE 7

PAR 4

462 YARDS

A precise tee shot that avoids the single fairway bunker left and the canyon along the right will set up an approach to an uphill green that is deceptively narrow, especially in the back.

HOLE 8

PAR 3

176 YARDS

A middle iron will be needed to reach an undulating, two-tiered green that's not fully visible from the tee. Avoiding a large front bunker and reaching the proper level is a must, as it will be difficult to get a long lag putt close to the hole.

SOUTH COURSE

HOLE 9

PAR 5

614 YARDS

This par 5 is reachable by only the longest hitters, so most players must hit the fairway from the tee to allow an aggressive lay-up, which will allow an accurate third shot and a chance to make birdie.

HOLE 10

PAR 4

416 YARDS

The best way to start the second nine with a birdie is to hit left center of the fairway from the tee, then hit a short iron to a sloping green that is guarded by bunkers on the front left and right.

SOUTH COURSE

HOLE 11

PAR 3
221 YARDS

This par 3 usually plays several yards longer than its official yardage because it plays into and across the prevailing wind. Don't look for many approach shots to come to rest in the center of the green, as a severe slope will filter shots from right to left.

HOLE 12

PAR 4
504 YARDS

A generous fairway invites players to be aggressive off the tee. Anything less than a well-struck drive won't allow this green to be reached in two. The ideal position for those who miss the green is short, since the green, which runs some 35 yards deep, is receptive to uphill chip shots.

SOUTH COURSE

HOLE 13

PAR 5

614 YARDS

An additional tee is back and to the left, calling for a drive of at least 240 yards to carry the canyon. Should players choose to go for the green in two, they will need to carry the second shot some 260 yards as the green is elevated and protected by bunkers and rough in front.

HOLE 14

PAR 4

437 YARDS

With the canyon running along the left of the fairway, players will play the ball safely out to the right, likely with a fairway wood. The most difficult hole location will be back right, but any shots missed long could result in bogey or worse, as there are hazards just off the back of the green.

SOUTH COURSE

HOLE 15

PAR 4
478 YARDS

Players who shape their shots won't find much room here. Eucalyptus trees protect both sides of this tight fairway and the slightly uphill green slopes aggressively from right to left. Shots coming from the right had better land softly if a player wants to have putter in hand for his third shot.

HOLE 16

PAR 3
223 YARDS

The two teeing grounds have a dramatic effect on how this hole is played. The shorter tee, to the left, brings two green-side bunkers into play, but players can aim right and ride the prevailing breeze. The front of the green is open from the longer tee, but the wind can complicate the angle.

SOUTH COURSE

HOLE 17

PAR 4

442 YARDS

A high draw from the tee will take the fairway bunker on the right – 275 yards to the front of it – out of play. That will leave a middle-to-short-iron approach to an elevated, wide, and severely undulating green protected by two bunkers in front.

HOLE 18

PAR 5

570 YARDS

The closing hole is a great par 5 – basically straight but with a twist in the drive zone – on which anything can happen. Just ask Bruce Devlin. In contention for the 1975 Andy Williams San Diego Open, the Australian took six hacks to get his ball out of the water in front of the green on his way to making a 10. The pond is now called “Devlin’s Billabong.”

HOLE-BY-HOLE DESCRIPTIONS

NORTH COURSE

HOLE 1

PAR 4
421 YARDS

Open the round with a straight-forward par-4 outlined by a bunker on the left-hand side and a large eucalyptus tree on the right. The expansive green is protected by front bunkers on either side.

HOLE 2

PAR 4
495 YARDS

With rolling hills and exceptional length, the second hole is the longest par-4 on the course and plays into a prevailing wind. A canyon borders the left side of this hole that features only one bunker. The split-level green provides an extra challenge for players who end up on the wrong tier.

NORTH COURSE

HOLE 3

PAR 3
241 YARDS

The first par-3 on the course directs players west and is challenging for players of all skill levels. In addition to the length, a deep bunker guards the small green perched neatly atop a hill.

HOLE 4

PAR 4
479 YARDS

The combination of difficulty and beauty of this par-4 hole is accented by trees and a large bunker on the corner of this downhill dogleg-left tee shot. Two more bunkers on either side of the large, semi-blind green make par a good score.

NORTH COURSE

HOLE 5

PAR 5
525 YARDS

The easiest and shortest of all par-5s on the North Course. On this slight dogleg-left that usually plays downwind, players will want to avoid the bunkers to the right to reach the green in two. Only a small bunker on the left makes this hole attack-worthy, but notice the pin location on the tiered green.

HOLE 6

PAR 4
416 YARDS

This short par-4 features a single bunker on the left-hand side of the fairway. Another bunker protects the right side of a deep, narrow green that penalizes players either short with a false front or on the left due to the closely-mown area.

NORTH COURSE

HOLE 7

PAR 4

322 YARDS

This drivable par-4 is high-lighted by two bunkers on the left side that challenge the tee shot. The green presents some putting, chipping and pitching challenges. Two well-played shots will yield a great chance for an easy birdie.

HOLE 8

PAR 3

214 YARDS

The tee on this par-3 is the highest point and offers a beautiful view of the course. It features an inviting downhill elevation change to a contoured green that is shielded by extensive bunkering on either side.

NORTH COURSE

HOLE 9

PAR 5
556 YARDS

The outward nine concludes with a mid-length par-5 bordered by trees and a bunker on the left in the landing area. The small green is well-protected by two cavernous bunkers on both sides.

A good opportunity for a birdie or easy par.

HOLE 10

PAR 5
536 YARDS

The back nine begins with a reachable par-5 that depends on a solid tee shot. Avoid a massive bunker on the right to reach the green in two. The dramatic, small green features a blind coffin bunker and a great view of the Pacific Ocean.

NORTH COURSE

HOLE 11

PAR 4

339 YARDS

The second-shortest par-4 on the course deceives players with four visible bunkers from the tee box that appear to line the landing area. Three, however, are situated strategically around the green, making a conservative approach from the tee advantageous.

HOLE 12

PAR 3

203 YARDS

A wide, contoured green awaits players on this elevated par-3. Its signature feature is a vast ravine that defines the entire left side and forces a significant carry from the tees to safely reach the green.

NORTH COURSE

HOLE 13

PAR 4

459 YARDS

This demanding par-4 plays alongside the ravine on the left with a bunker on the right. The green is especially challenging because it features a unique "hog back" running through the middle. The deceptive approach shot plays longer than it looks.

HOLE 14

PAR 4

451 YARDS

This par-4 is another long, demanding hole. The challenge off the tee is to drive the ball between the eucalyptus trees on either side of the fairway. It is one of course designer Tom Weiskopf's favorite holes.

NORTH COURSE

HOLE 15

PAR 3
202 YARDS

The par-3 signature hole offers exceptional challenge and beauty. Dramatic elevation off the tee offers a significant hardship into the large, tiered green, especially when considering the strong ocean breeze.

HOLE 16

PAR 4
393 YARDS

This par-4 tasks players with driving the ball across a valley to a narrow fairway while the second shot is played uphill to a blind green. The old navigational marker framing the green gives players the line of play on the approach.

NORTH COURSE

HOLE 17

PAR 5
520 YARDS

This par-5 is a reachable par-5. Players must avoid the large eucalyptus tree and two bunkers on the left. There is a canyon bordering the hole that impacts the second and third shots. The green location is adjacent to a canyon, making this an exciting risk-reward par-5.

HOLE 18

PAR 4
486 YARDS

The trying home hole heads toward the clubhouse and boasts one of the longest par-4s on the course. The landing area is semi-blind, but there are no fairway bunkers to contend with to provide balance. The complex green is the largest on the course and is protected by three bunkers.
