

DO YOUR PART, PLAY SAFE

SCGA
SOUTHERN CALIFORNIA GOLF ASSOCIATION

 **PGA**
Southern California

Restrictions on golf have been lifted and we have the opportunity to tee it up again.

Be mindful of the specific guidelines in place at this facility and if you are not sure what they are, check with a staff member.

By acting responsibly, we will ensure that this course and others in the region remain open for all of our enjoyment.

As the Southern California golf community, we can get through these challenging times together.

And remember...**Do Your Part, Play Safe.**
