SCGA PRESIDENT'S MESSAGE

DEAR COMPETITORS,

On behalf of the Southern California Golf Association, it is my pleasure to welcome you to the 124th SCGA Amateur Championship. Congratulations to all participants on qualifying for this prestigious event.

The SCGA remains committed to conducting this championship at the finest golf clubs in Southern California, and this year we are truly fortunate to be able to offer you Rolling Hills CC. This will be the first time the SCGA Amateur will be conducted in the South Bay area of Los Angeles County. The course will not only be a true test of golf but will offer some of the most scenic views of Los Angeles, from the coast to downtown to the mountains.

The SCGA Amateur Championship continues to attract top-ranked amateurs from Southern California and puts forth one of the finest fields in amateur golf.

This year's champion will have to be at their best to prevail over the course and field. In doing so, they will have earned the title of SCGA Amateur Champion and be able to add their name alongside Geiberger, Woods, Cantlay, Hossler and Theegala to name a few.

I would like to take this opportunity to express our sincere gratitude to Rolling Hills CC for graciously hosting the 124th SCGA Amateur Championship, and I wish all the competitors in this year's championship the best of luck!

Mike Ortega

President, Southern California Golf Association

FROM ROLLING HILLS COUNTRY CLUB

DEAR COMPETITORS,

On behalf of the Board of Directors, membership and staff of Rolling Hills CC, we would like to welcome you to the 124th SCGA Amateur Championship.

Established in 1965, Rolling Hills CC was originally built as a nine-hole, 14-acre par-3 course and expanded into a full-length Ted Robinson design in 1972. Now almost five decades later, David McLay Kidd designed a new course that's both walkable and playable, where all types of golfers can enjoy the game as it has always been played back in its origin...the ground. Rolling Hills Country Club is a home away from home for friends and generations of families, where they come together to celebrate some of life's most cherished events.

We are proud to be hosting the 124th SCGA Amateur Championship. We hope the participants will find the course to be an excellent and fair test of golf. We are confident the players' families and spectators alike will enjoy watching Southern California's finest amateurs compete for this distinguished prize.

We especially want to thank the staff, the member volunteers and the SCGA, all of whom have worked diligently to ensure a successful championship. We are pleased to have you here and look forward to crowning another champion this summer.

Adam Rioux

President, Rolling Hills Country Club

PACE OF PLAY POLICY

MAXIMUM ALLOWABLE TIME:

The Committee at each competition will determine the maximum allowable time each group is permitted to play the round and each hole. This time will be posted on each player's scorecard, and each player and group is expected to maintain a pace that is faster than the maximum allowable time. A hole ends in stroke play when all players have holed out, and in match play, when all players hole out or the result of the hole is decided. See Rule 23.3c for when a hole is completed in four-ball competition.

IN POSITION:

Groups are expected to remain in position throughout the round. Being in position means:

- » Reaching the teeing area of a par-3 before the group ahead has teed off on the next hole.
- » Reaching the teeing area of a par-4 before the group ahead leaves the putting green of that hole.
- » Reaching the teeing area of a par-5 before the group ahead gets to the putting green of that hole.

WARNING, CHECKPOINTS & PENALTIES:

If a group is over its maximum allowable time and out of position, an SCGA official may issue the group a warning and provide a checkpoint by when the group must regain its position (e.g., within the next two or three holes). If a group receives a warning, it will be monitored by an SCGA official to observe its pace of play.

- » If a group fails to regain its position by an established checkpoint, all players in the group will be informed that the checkpoint was missed and that one or more players in the group will be liable to receive a one-stroke penalty. The SCGA official will then provide another checkpoint by when the group must regain its position.
- » If the group fails to regain its position a second time, one or more players in the group will be liable to receive the general penalty (loss of hole in match play or two penalty strokes in stroke play).

If the Committee identifies that a player (or players) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while others may.

THE SCGA TOURNAMENT COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.

LOCAL RULES AND TERMS OF THE COMPETITION

The Rules of Golf as approved by the United States Golf Association and The R&A govern play. These Local Rules and Terms of the Competition are in effect at all SCGA championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. PACE OF PLAY — See separate memorandum to players for pace of play policy.

STOPPING AND RESUMING PLAY — Model Local Rule J-1 as prescribed in Section 8 of the Committee Procedures is in effect.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes. Resumption of play will be signaled by two short air horn notes.

WHEN COMPETITION IS FINAL:

Stroke Play: When the results and/or qualifiers and alternates have been determined. At championships, when the awards have been presented.

Match Play: When the result of a match has been reported to, and verified by, the committee.

CODE OF CONDUCT* — By submitting an entry for any SCGA-administered event, the contestant understands that his/her participation is at the sole discretion of the SCGA. A contestant may be removed from an event either before or during the event at the sole discretion of the SCGA. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the SCGA or the "Spirit of the Game" are grounds for such removal and suspension from future SCGA-administered events.

These include, but are not limited to, the following:

- Willful damage of the golf course or golf course property
- Club throwing or unnecessary club tossing
- Offensive or unbecoming language
- Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants

HISTORY OF THE SCGA AMATEUR CHAMPIONSHIP

The SCGA Amateur is one of the nation's oldest continuously contested amateur golf championships. The first SCGA Amateur was held less than one year after the Southern California Golf Association was formed on July 29, 1899. Only the Utah Amateur, started in 1899, has a longer consecutive string (the U.S. Open and U.S. Amateur both predate the SCGA Amateur, but both USGA events were suspended during war years).

A match play format was used for the first 58 years of the tournament. In 1957, the format was changed to 72 holes of stroke play. In 1973, increasing interest and the number of entries resulted in regional qualifying with a 36-hole finale. The 72-hole stroke play format was reinstated in 1974. In addition to the championship itself, for many years the tournament also had net competition in flights. However, due to the increasing popularity of this portion of the tournament, a separate SCGA Amateur Net Championship was created in 1993.

The list of SCGA Amateur champions includes many of the legendary names of golf. Charles E. Orr, who won the first title with a 6 and 4 win over SCGA President Charles Maud, was described as a "crack player from the Pasadena Country Club."

Johnny Dawson (1942, 1944, 1945, 1952)

George von Elm (1922, 1925, 1927)

Another Pasadena resident, Dr. Paul Hunter, won a record five SCGA Amateur titles from 1912 to 1929. In 1925, George Von Elm became the only player ever to win the SCGA Amateur, NCGA Amateur and California Amateur in the same year (a year later, he became the first Southern Californian to win the U.S. Amateur).

In 1933, another legendary amateur, Charles Seaver (who was also the father of baseball Hall of Fame pitcher Tom Seaver), won the California Amateur and NCGA Amateur. When he won the SCGA Amateur in 1934, he held all three titles at the same time for a few weeks; only Von Elm has equaled that feat.

The '40s were a golden age of golf in Southern California, with the likes of Johnny Dawson, Bobby Gardner and Bruce McCormick — all eventual Walker Cup members — capturing SCGA Amateur titles. Notable winners in the 1950s included future PGA Champion Al Geiberger (in 1956 and 1959) and car dealer Fletcher Jones, while future PGA Tour members

Barry Jaeckel, John Jacobs, Mark Pfeil, Tony Sills, Jeff Hart, Greg Twiggs, Dave Sheff, David Hobby, Paul Stankowski, Todd Demsey, Charlie Wi and John Merrick have won in subsequent decades.

In recent years, Craig Steinberg has won four SCGA Amateur titles (1988, 1991, 1992, 1997), just the third person to accomplish that feat, joining Dawson, who won four times, and Hunter, who won five titles. Scott McGihon joined the list of three-time winners when he won back-to-back titles in 2005-06, in addition to his 2000 win. In 1994, Tiger Woods, the most celebrated golfer of the current generation, won the SCGA Amateur at Hacienda GC, setting a four-round scoring record of 270, helped in large measure by a single-round record 62 in the third round. Woods scoring record held up until 2010 when Scott Travers finished the championship in a record setting 16-under-par. Patrick Cantlay capped off one of the great amateur golf summers by winning the SCGA Amateur in 2011 and Beau Hossler won back-to-back titles in 2013 and 2014.

Among those who have tried to win the SCGA Amateur and failed are Craig Stadler, Scott Simpson, Corey Pavin, Mark O'Meara, Phil Mickelson, Duffy Waldorf, Jason Gore, Rickie Fowler, Xander Schauffele and Aaron Wise.

Tiger Woods (1994)

Patrick Cantlay (2011)

Beau Hossler (2013, 2014)

Sahith Theegala (2019)

123RD AMATEUR RECAP

Caden Fioroni, UNLV, finished his week at San Diego CC as the only player to card four rounds under par, four rounds under 70, and four rounds that totaled up to 270 (-14). His final round 66 was good enough to set him an astonishing eight strokes clear of the field and to get his name etched on the same trophy as Tiger Woods.

There's no such thing as perfect golf, but Fioroni came as close as one can with a bogey-free 18 holes on Thursday that included three birdies and an eagle on No. 16 that sent the Chula Vista gallery into a frenzy.

Fioroni entered the final round with a two-shot lead that looked plenty in jeopardy after he three-putted for par from 15-feet on No. 2 while both his playing partners, Tyler Kowack and Ian Maspat made birdies. When the final grouping of the 123rd SCGA Amateur made their way to No. 3, Fioroni was clinging to a one-shot lead advantage and looking shaky at best.

But a load of grit led to pars on Nos. 3 and 4 before Fioroni broke through for a birdie on the fifth to reestablish his two-shot lead. By the time the Rebel added another one at No. 8 he was three strokes clear of Maspat and would never let anyone closer.

Fioroni was in complete control his game hitting 9 of 14 fairways and 13 of 18 greens. He kept a clean card with zero stress until the 15th hole when he left his approach short and duffed a chip that still didn't reach the green. Moments later he would bury a 12-footer with a Texas Wedge that would have made SDCC's Billy Casper proud.

It took Fioroni eight holes to finally one-putt. But on the back-nine he did it three straight times nailing the coffin closed on everyone else's chances of getting back into the championship.

Despite shooting in the 60's his first three rounds, Fioroni managed to save his best for last with a final round 66 that was capped off by a two-putt par to win the title. His trip around SDCC only took 31 putts on some of the fastest greens in Southern California.
