

Youth on Course Request for Unsupervised Access

Instructors,

Thank you for taking the time to fill out this form and answer the questions below. SCGA Youth on Course now accepts juniors signing up for the Youth on Course Golf Pass online. By completing rules, etiquette, and decision making quizzes, juniors can attain SUPERVISED ACCESS for the Youth on Course Golf Pass. In order for juniors to then attain UNSUPERVISED ACCESS, they must have an established SCGA Handicap index, must be over 13, and must have demonstrated to a golf instructor that they are capable of the following (please initial on the line after each item if you approve):

- The player should be able to maintain the proper pace of play established for the course and keep pace with those in his/her group. _____
- The player has the golf ability to play reasonably from a set of tees on any given regulation golf course. _____
- The player demonstrates an appropriate level of maturity, etiquette, and responsibility in order to be at the facility unsupervised. _____

Please briefly describe the golf ability of the junior in the following areas:

1. Putting – Students must demonstrate appropriate grip, alignment, technique, and etiquette. Putting ability should be demonstrated from various distances.

2. Chipping/Pitching - Students must demonstrate appropriate grip, alignment, technique, and etiquette. Chipping/pitching should be demonstrated from various distances and with varying lies/skill sets.

3. Full swing - Students must demonstrate appropriate grip, alignment, technique, and etiquette. Student must be able to demonstrate ability to hit to targets of 75 yards, 125 yards, and 175 yards. Adjustments can be made by instructor based upon age and skill level.
