HOW THE ECLECTIC FORMAT WORKS:

This is a fun and relaxed format where you are your own partner. We play the same Resort Course for two days, and your score is based on your best ball, hole by hole over both days (par 72). If you do poorly on a hole the first day, it gets thrown out as long as you have a better score on that hole the next day! This format is great fun and produces some very low scores!

Practice rounds the week prior available for special price of \$25 on Resort Course or \$15 on Legend's Course – contact Jay Glover to book <a href="mailto:jglover@centurygolf.com">jglover@centurygolf.com</a> or 760 775-2000 x212
