107TH CALIFORNIA AMATEUR CHAMPIONSHIP

FROM THE PRESIDENT

Dear Contestant:

Congratulations on qualifying for the 107th California Amateur Championship! In just a few months' time, one of your names will be engraved on our prestigious trophy along with the likes of George Von Elm, Ken Venturi, Gene Littler, Johnny Miller and Mark O'Meara.

Although this great championship is now more than 100 years old, 2018 marks only the sixth time it will be contested in Southern California and the second time it will be held at Omni La Costa Resort & Spa. Entrenched in a history of prestigious championships, La Costa hosted the PGA Tour's Tournament of Champions for 30 years, the Accenture Match Play Championship seven times, the LPGA Kia Classic, and the 103rd California Amateur Championship, which featured an epic final match, where Xander Schauffele defeated Beau Hossler 2 up. We feel privileged to return to this historic venue for this year's rendition.

All contestants will play 36 holes of stroke play – 18 holes on both the Champions and the Legends Courses. The low 32 players will then advance to match play on the Champions Course. I'm confident you will enjoy the courses, the beautiful resort amenities and its scenic surroundings.

Enclosed is important information on all aspects of the tournament. Please review the information as it is intended to help make your championship experience go as smoothly as possible.

Wishing you all the best and we'll see you on the teeing ground!

RULES OF PLAY

Play is governed by the Rules of Golf, effective January, 2016. A Notice to Players addendum will be distributed at the championship. Disregard all other club-posted Local Rules including those on the back of the club's score card.

DISTANCE MEASURING DEVICES AND CELL PHONES

A player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 14-3. A multi-functional device, such as a smartphone or PDA, may be used as a distance-measuring device, but it must not be used to gauge or measure other conditions where doing so would be a breach of Rule 14-3. Any questions about such devices should be resolved before the start of the stipulated round. Otherwise, cell phone use is discouraged during the stipulated round.

AUTOMOTIVE TRANSPORTATION

Automotive transportation is not permitted for players or caddies. Disabled players must file a "Disabled Cart Request" form with the SCGA. Forms may be requested from the SCGA Rules and Competitions Department at (818) 980-3630 or rules@scga.org.

PULL OR PUSH CARTS

Pull or push carts are permitted.

CADDIES

Players may provide their own caddie. All caddies must adhere to the dress code listed in this document. Caddies will be issued an official caddie bib at the tee prior to each round which should be worn during the round and returned each day. Players bringing their own caddie are responsible for their conduct at all times while on the resort's property.

PLAYER CODE OF CONDUCT

By submitting an entry for any SCGA-administered competition, the contestant understands that his/her participation is at the sole discretion of the SCGA. A contestant may be removed from any competition at the discretion of the SCGA staff or Rules and Competitions Committee at any time before or during the competition. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the SCGA or the "Spirit of the Game" are grounds for such removal and suspension from future SCGA-administered competitions. These include, but are not limited to, the following:

- Willful damage of the golf course or golf course property
- Club throwing or unnecessary club tossing
- Offensive or unbecoming language
- Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants
- Potential endangerment of others
- Conduct deemed unbecoming
- Failure to post scores for handicapping purposes
- Manipulation of scores posted for handicapping purposes

CANCELLATION POLICY

To withdraw for any reason prior to the start of the championship, a player must notify the SCGA Rules and Competitions Department at (818) 980-3630, or by clicking [here](#).

If a player needs to withdraw on the morning of the event, notify the NCGA/SCGA staff through the golf shop staff at the host venue. Failure to notify the NCGA/SCGA will subject the player to suspension from future NCGA/SCGA competitions. Requests for refunds prior to the entry closing date will be honored less a \$10 administrative fee. Requests received after the entry closing date and 48 hours prior to the event will be honored less 50% of the entry fee. No refunds will be honored within 48 hours of the event.

PACE OF PLAY POLICY

STROKE PLAY

The Committee will determine the maximum allowable time each group is permitted to play the stipulated round. This time will be posted on each player's score card and each player is expected to maintain a pace faster than the maximum allowable time. The stipulated round is complete when the last player in the group completes play of the final hole and the flagstick is replaced.

LEAD GROUP(S)

The lead group(s) must finish their stipulated round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, each player will be assessed a penalty of two strokes to their score for the final hole.

- **Exception:** If the lead group is held up by play that began on the opposite tee, they will be exempt from penalty if they finish over their maximum allowable time but within 14 minutes of the group in front of them.

FOLLOWING GROUPS

Any subsequent group must finish their stipulated round within the maximum allowable time established by the committee. If they finish over the maximum allowable time, they must finish within 14 minutes of the group in front of them. If they finish over the maximum allowable time and more than 14 minutes behind the group in front of them, each player will be assessed a penalty of two strokes to their score for the final hole.

EXEMPTIONS FROM PENALTY

If a group does not finish within their maximum allowable time due to circumstances beyond their control (such as a ruling or a ball search on the final hole, or any other circumstances which the Committee deems to be exceptional) but was otherwise in position during the play of the final four holes, the Committee may be justified in waiving the penalty. Being in position means to be immediately behind the group in front of you.

Any group that has a slow, deliberate or non-responsive player(s) may report the player(s) to NCGA/SCGA Staff or a NCGA/SCGA Rules Official at any time during the stipulated round, and the player(s) will be monitored. If NCGA/SCGA Staff or a NCGA/SCGA Rules Official identifies that a player(s) in the group is the cause of the group failing to maintain pace of play and determines other players are playing within the requirements of this policy, those meeting the requirements of this policy may be absolved from penalty while the others may not.

THE COMMITTEE RESERVES THE RIGHT TO REVIEW ALL PENALTY SITUATIONS.

MATCH PLAY

Rule 6-7 of the Rules of Golf requires that a player “shall play without undue delay.” Notes 1 & 2 under Rule 6-7 are in effect.

OUT OF POSITION

The first group to start will be out of position if, at any time during the round, the group is behind the maximum allowable time to play.

Following groups will be considered out of position if, at any time during the round, the group is behind the maximum allowable time to play, and when approaching a tee, there is an open par-3 or par-4 hole or the preceding group is on the green of a par-5 hole.

MONITORING

- If a group is determined to be out of position at any time, the group will be advised that it is out of position and each player in the group will be monitored and timed.
- If any player in a group that is being monitored takes more than 40 seconds to play a stroke, the player will automatically incur the applicable penalty for breach of these guidelines.

TIMING

- Timing shall begin when the player has had a reasonable opportunity to reach the ball, there is no interference from another person or ball, and it is the player’s turn to play.
- Any time spent walking backward or forward for measuring or other purposes will count as part of the time taken.
- On the putting green, a player will be allowed a reasonable time to lift, clean, and replace his ball, repair his ball mark, remove loose impediments and repair other ball marks on the player’s line of putt.
- When a group has regained its position, timing will be discontinued.
- In the event that the group is monitored later in the round, previous warnings and penalties will carry over.

PENALTIES

- 1st offense – warning
- 2nd offense – loss of hole
- 3rd offense – warning
- 4th offense – disqualification

CHAMPIONS COURSE HOLE-BY-HOLE DESCRIPTIONS

Yardages represent potential range during the championship

NO. 1: 390-YARD PAR 4

Elevated tees provide a grand vista of the accommodating landing area, and fairway bunkers that can impact longer drives. The raised green is heavily bunkered, with a safe, grassy hollow on the right.

NO. 2: 577-YARD PAR 5

Straightaway toward fairway bunkers on each side, the right extending to the middle of the landing area. Clearing the fairway ridge means a chance to reach the green in two. From the fairway through the green, a lake borders the right side, with bunkering along the layup zone and around the elevated green.

NO. 3: 183-YARD PAR 3

Deceptively more uphill than it appears, the green surface is mostly hidden from the tee. Two huge front bunkers are in sight. The green is deep, rising in the middle and sloping away to both the left and right.

NO. 4: 379-YARD PAR 4

This dogleg wraps around the left fairway bunker, offering an aggressive approach, while the visible landing area offers room between the bunkers. A cavernous front bunker guards a narrow, two-tiered green.

NO. 5: 377-YARD PAR 4

Next to the lake along the right, the upper tees offer a view of a roomy fairway, while the lower tees are less revealing. A long, narrow green rises from front to back, with bunkering at all four corners.

NO. 6: 538-YARD PAR 5

Raised tees lead to receptive landing areas, with bunkering on the left to challenge those trying to reach the green in two. The hillside green has a deadly false front, but is deep, with extra room on the right.

NO. 7: 465-YARD PAR 4

A downhill dogleg left, fairway bunkering provides ideal target lines, while a grove of trees guards the corner. A swale crosses in front of a wide opening to the green, set above a strong face and front-left bunker.

NO. 8: 200-YARD PAR 3

A lake spreads completely across the direct line to the green, with an optional landing area provided on the left. A long bunker runs behind the wide, shallow green, with a "horseshoe" terrace behind the low front.

NO. 9: 415-YARD PAR 4

This dogleg right curves around a large lake, with two large bunkers on that back side of the turn providing the principle lines of attack. The fairway runs uphill to the green, guarded by a front bunker.

NO. 10: 556-YARD PAR 5

This downhill “double-dogleg” offers a generous landing area, with trees on the right corner. At mid-fairway, a lake borders the left side. The green sits behind the water, a challenge to reach in two. The layup zone is open, alongside a fairway bunker, and offers easy access to a green that rises from front right to back left.

NO. 11: 367-YARD PAR 4

Elevated tees lead downhill to a dogleg right, with water along the entire right side of a wide landing area. A bunker is on the left of a crescent-shaped green, which rises to a crest before sloping down to the back.

NO. 12: 244-YARD PAR 3

A string of four small bunkers guard the front left side of a large, round green, which sits above a swale that crosses in the front. A large grassy collection area is on the right, while the left is an environmentally protected area.

NO. 13: 392-YARD PAR 4

This sharp dogleg right is defined by encroaching trees along the tee and a lake that stretches from the corner all along the right side to the two-tier green, divided by a long ridge slanting front left to back right.

NO. 14: 493-YARD PAR 4

A narrow, meandering creek runs along the left side, crossing the fairway into play throughout the landing areas, and then continuing up the entire right side. An elevated green is guarded by two bunkers on the front-left and one below on the right, between the green and the creek.

NO. 15: 340-YARD PAR 4

Straightaway off the tee across a creek through parallel lines of trees, the fairway is roomy, despite the visual impact of the bunkering. Bunkers guard a small, elevated green, with water looming left and rear.

NO. 16: 191-YARD PAR 3

A picturesque shot over the lake is a full carry to a shallow green perched above the water. Bunkers also guard the front, right and back of the green, which slopes from a center ridge down to the left and right.

NO. 17: 471-YARD PAR 4

The dogleg right starts across a waste bunker, with room in the landing area away from the trees on the corner. A lake runs along the right side, from the turn to the hourglass green, hidden by two deep front bunkers.

NO. 18: 594-YARD PAR 5

The first of two lakes creates a tee shot over water, which sits along the right side of the landing area. A second lake then comes into play on the left, as does a creek crossing the fairway about 30 yards below the elevated, hillside green. Grassy “church pews” guard the left of the green, with a deep bunker on the right.

LEGENDS COURSE HOLE-BY-HOLE DESCRIPTIONS

NO. 1: 413-YARD PAR 4

A gentle dogleg left, a creek crosses in front of the tees and runs along outside the right fairway bunker, crossing again in front of the green. The tree line and a front left bunker guard the entrance to the green, which is narrow in front, then rises and widens toward the back.

NO. 2: 323-YARD PAR 4

Playing uphill from the tee, a “cross bunker” visual is created by two left foreground bunkers and two bunkers to the right of the landing area. A long, narrow green angles back to the right, with a long bunker along the entire right side of green. A lake is hiding quite a bit beyond the green.

NO. 3: 458-YARD PAR 4

Gradually uphill from tee to green, the fairway widens on the right, away from the bunker to the left of the landing area. The tree line and a large bunker guard the left side of the green, which widens in the back, where it is divided by a ridge into distinct left and right sections.

NO. 4: 366-YARD PAR 4

From elevated tees, the wide fairway is split by bunkering, creating a more narrow landing area on the right (for a level approach to the green), or a lower, safer area in the left basin (leaving an uphill approach). Two bunkers guard the hillside green, which drops down to the left.

NO. 5: 400-YARD PAR 4

Dramatically downhill off the tee, a cluster of bunkers on the right create a slight dogleg right, narrowing the landing area. The long green has a narrow entry guarded by a large bunker on each side, as well as trees on the right and grass hollows and mounding on the left.

NO. 6: 184-YARD PAR 3

A creek crosses between the tee and green, running up the left side. The green is narrow in front, with bunkers on the sides, but widens in the back, both to right and left, with the left dropping into a grassy collection area near the creek.

NO. 7: 524-YARD PAR 5

Reachable in two, this dogleg left curls around corner bunkering to the landing area, where another bunker is on the right. A challenging bunker is strategically centered in the fairway just inside 100 yards of the elevated, three-level, T-shaped green, with front bunkers right and left.

NO. 8: 155-YARD PAR 3

A creek crosses between the tees and green, which curves left-to-right around two small front bunkers, with a larger bunker front-left. The green drops into a back right section, with the high-

er left section bordered by a low, grassy hollow. A lake sits at the far left, but can be in play.

NO. 9: 493-YARD PAR 5

Normally playing into the wind, this dogleg right leaves the corner open, with a large bunker to the left of the landing area. The approach must carry a crossing creek and grassy hollow in front of the elevated green, which rises front-to-back, also guarded by a rear left bunker.

NO. 10: 456-YARD PAR 4

A lake runs all along the left side of this dogleg left, which starts out to a wide landing area toward a distant target bunker that marks the turn. The approach must cross the water to an elevated green, featured by a spine that runs from the back toward the two front bunkers.

NO. 11: 210-YARD PAR 3

The three-level green offers a roomy entry, but narrows as it stretches into a longer landing area. Soft but distinctive transitions follow the rise, from the basin level up to a mound that marks the first level change, and then to the high back level, with bunkering on both sides.

NO. 12: 583-YARD PAR 5

This double dogleg right begins with a wide landing area at the soft turn that bends around a right fairway bunker. The fairway straightens out and then takes a sharper right toward the shallow, elevated green, guarded by a long, front-right bunker and steep slope on the left side.

NO. 13: 415-YARD PAR 4

This dogleg right widens in the landing area, where a large bunker guards the right corner and trees line the left rough. A large front bunker is set several yards away from the front of the slightly saddle-shaped green, featuring a low center. A second bunker guards the right side.

NO. 14: 215-YARD PAR 3

Playing uphill, across a creek, with a stand of imposing sycamores on the right, creates a challenge to find a spot on the long, narrow green that rises from front to back. A large front bunker also runs the length of the green, while two rear bunkers visually “squeeze” the target.

NO. 15: 391-YARD PAR 4

This delightful dogleg left crosses a creek twice as it wraps around a daunting cluster of sycamores, leading up to a long hillside green. The wide landing area runs up against a right fairway bunker. A massive front bunker and mature pepper tree guard the green’s entrance.

NO. 16: 416-YARD PAR 4

Playing out of a chute of trees off the tee, this slight dogleg right normally plays into the wind, but without any sand bunkers along the way. The long narrow green is higher in the middle, dropping off both sides into grassy collection areas, also rising from the front to the back.

NO. 17: 525-YARD PAR 5

Fairly straightaway, two fairway bunkers on the left create a dogleg feel. The landing area is ample, but from there the lake comes into play all along the right, up against the edge of a long, narrow green. Reachable in two, the green has a gentle dip in the middle, and a bunker left.

NO. 18: 457-YARD PAR 4

Two staggered bunkers, forward right and longer left, pinch the landing area, as the fairway runs up to a crossing creek. Large bunkers left, right and rear surround the elevated, multi-level green. A run-up area is provided left-center, as the rising green drops off each back side.
