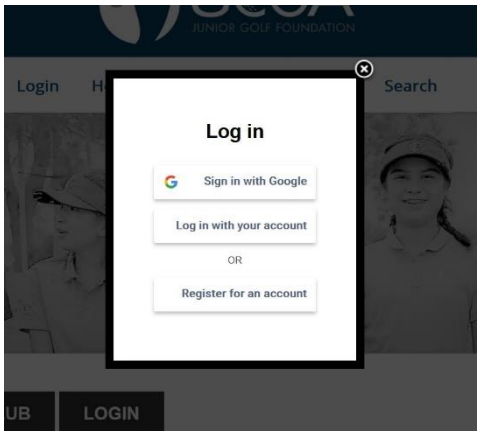
Deb Long Drive for Girls Golf Club Registration

Thank you for your support of the Deb Long Drive! Funds raised from this campaign will go directly to supporting the next generation of female golfers here in Southern California. Your club will directly be changing the lives of our more than 1,500 girls who participate in our Foundation's programming annually. Thank you for making this commitment and helping us reach our fundraising goal. Now let's get started!

From the main page - https://secure.scgajunior.org/deblong :

1) Click "Sign Up Your Club" (please make sure you are the Primary Contact of your Club)

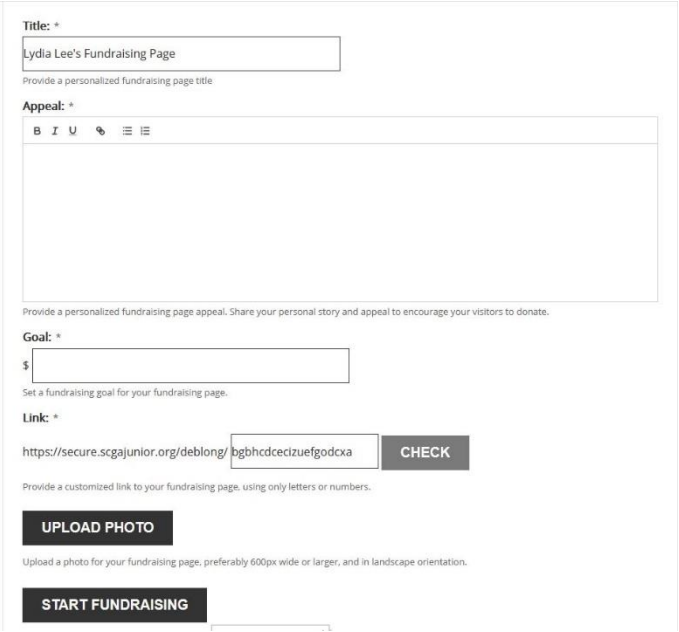
There are two ways you can sign up:



1. Using your Gmail Account – this will source all information from your Gmail address
2. Register for an Account
    - Fill in your name, email and create a username and password

This will be the method to log in to edit your club's fundraising page. Pictures shown on the main page (club logo is recommended) can be changed by sending a picture to Lydia Lee at llee@scga.org.

2) After you create an account, the next step will be to personalize your club's fundraising page.



1. **Title**: Please use your club's name
2. **Appeal:** We have created some default text for this purpose but recommend you personalize it to share what your club is doing to raise the funds.
3. **Goal:** This defaults to $1,500; you can update with your club's fundraising goal
4. **Link:** This is the custom link to your club's fundraising page. We recommend your club name or an abbreviation of your club.
5. **Photo:** *optional* This picture will show up like a banner on the top of your fundraising page. Recommended photo is in landscape (3500x1400). Email llee@scga.org for support if needed.
6. **Click Start Fundraising.** Congrats! Your fundraising page is now live and ready to accept donations.

3) Once your fundraising page is live, you can share the page or make edits by using the buttons on the right side of the page.

- **Share-** This button will provide you with the direct link to your club's fundraising page that you should share with your club members and any other family or friends who may want to support.
- **Edit-** Select this to Login to make updates or continue to customize your page.

SCGA Foundation staff will change the name of the Fundraiser so it shows up as your club's name, instead of the main contact's name, on the website.

Please contact Lydia Lee llee@scga.org if you have any questions or issues.
