CIF/SCGA Southern California High School Championship Participants,

On behalf of the Southern California Golf Association (SCGA), congratulations on qualifying for the CIF/SCGA Southern California High School Championship. Many of Southern California's finest players have participated in this prestigious championship along the way to exciting careers in golf, and we hope this event is a steppingstone for you as well.

As your leading regional golf authority, the SCGA is proud to sponsor this event as well as other junior golf programs through our SCGA Junior Golf Foundation. With the SCGA's support, this championship is run by the best officials in the state at the challenging C.W. Koiner, Course #1 at Brookside Golf Club in Pasadena. The golf courses at Brookside have hosted many major championships including the Los Angeles Open, the 1974 USGA Public Links Championship and the annual Pasadena City Championship. This year you can look forward to live scoring coverage during the championship, which can be found on scga.org/girlscif. We hope you enjoy the experience of playing in an SCGA championship.

We also encourage you to become a member of the SCGA if you are not already. As a competitive golfer, you can use your SCGA Handicap Index to pursue several of the nation's top championships, such as the U.S. Women's Amateur Championship, the U.S. Girls' Junior Amateur Championship, the SCGA Women's Amateur Championship, the California Women's Amateur Championship, and the Southern California Junior Amateur Championship. In addition, an SCGA membership offers numerous benefits. Best of all, the SCGA does not charge an annual fee if you are under 19. Among the many benefits of an SCGA membership:

- *Rules of Golf* education and assistance,
- discounted green fee opportunities,
- access to the Southland's top golf courses,
- golf news and highlights via scga.org and the SCGA's FORE Magazine,
- discounts to Southern California professional sports events
- and an SCGA-USGA Handicap Index.

For more information on the benefits of an SCGA membership, please visit scga.org.

Again, congratulations on qualifying for this wonderful event. Best of luck during the competition.

Sincerely,

Kevin Heaney

A contestant may be removed from any competition at the discretion of the SCGA staff or Rules and Competitions Committee at any time before or during the competition. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the SCGA or the “Spirit of the Game” are grounds for such removal and suspension from future SCGA-administered competitions. These include, but are not limited to the following: 1) Willful damage of the golf course or golf course property 2) Club throwing or unnecessary club tossing 3) Offensive or unbecoming language 4) Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants 5) Potential endangerment of others and 6) Conduct deemed unbecoming.

PACE OF PLAY POLICY SUMMARY – The responsibility for maintaining a good pace of play belongs with you, the player. If you fall behind on one hole, you are expected to play efficient golf and get back into position. This might mean playing ready golf for a hole or two and doing continuous putting – both of which are allowed in stroke play. Manage your time efficiently in between shots and be ready to play when it is your turn. Determine club selection and yardage while others are playing rather than waiting to do so when it is your turn to play. Keep pace with the group in front of you and do not worry about where the group behind you is. If a group is out of position, an SCGA official will monitor and time them. Any group out of position will be informed by an SCGA official when they are being monitored and timed.

A group will be considered out of position if it reaches the tee of a par-3 hole and the preceding group has cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green.

When a group is out of position each player in the group is expected to play any stroke within 40 seconds after timing of the player’s stroke begins. Other than on the putting green, timing of a player’s stroke will begin when he has had reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next stroke. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and / or behind the ball will count as part of the time taken for the next stroke.

PACE OF PLAY PENALTIES: One bad time exceeding the allotted time – Warning. A second bad time – 1 stroke penalty. A third bad time – Additional 2 stroke penalty. A fourth bad time – Disqualification

COACHING RULES – RULE 24.4

The coach(es) may provide instruction, encouragement, and information to his/her golfers without interfering with play or the conduct of the event under the following regulations:

- Each high school with a team entered in the event is allowed to appoint two (2) coaches who may communicate advice.
- Each high school with one or more individuals entered in the event is allowed to appoint one (1) coach who may communicate advice.
- Between the play of holes, a coach is allowed to communicate advice to his/her players.
 - Between the play of holes is defined as starting when the player has completed play of the hole and ending when the player places the ball on the tee on the next hole. Coaches may not be on the putting green or on the teeing ground while communicating with their players.
- The communication of advice may not impede the pace of play.
- Coaches are NOT allowed to communicate any advice (verbal or non-verbal) during the play of the hole. A violation of this would result in the player being penalized under Rule 10.2 of the Rules of Golf.
- Coaches who are in violation of this policy are subject to the following consequences:
 - 1st Breach: Warning
 - Subsequent Breach: Removal from the golf course (coach must remain in the clubhouse/practice area)
- The golf coach(es) as specified under Bylaw 503 (E,F) must be listed on file at his/her respective high school as the golf coach or an employee of the high school or school district in order to communicate advice to his/her players.
- The golf coach(es) must complete the appropriate form in the event handbook and sign in at the event with the tournament committee to receive their credentials and be authorized to coach. The CIF will provide the credentials.
- As a reminder, players are still prohibited from communicating advice, as defined by Rule 10.2, to other players at any time during their round. Any player who gives or asks for advice will be penalized according to Rule 10.2 of the Rules of Golf.

Any head coach, assistant coach, or school employee who is found to be in violation of the regulations outlined above may be denied entry at future CIF championship events and may cause his/her team or individual players to be disqualified from the event. Any issues relating to the Rules of Golf (penalty strokes or disqualification) will be determined by the NCGA/SCGA in conjunction with the CIF. Any decisions regarding removal or suspensions will be determined by the CIF. The decision rendered will be considered final.

Please completing the information below and signing this document, I understand the rules stated above and agree to comply with any consequences resulting from a breach these rules. Please bring a copy of this completed form to the competition.

Guidelines for a Playoff

When a playoff occurs, the qualifying spot will be determined by starting on a hole that will be determined by the SCGA and the CIF. When the ninth qualifying spot is determined through the playoff, the remaining players that were still in the playoff will be involved in a card off of their stipulated round to determine Alternate #1 and Alternate #2. To be involved in the card off, the remaining individuals had to be tied for second place on the last hole played behind the winner of the playoff.

It is the intent of the CIF to attempt to always have a playoff to determine the nine individuals that will qualify from the regional finals to the state finals. There are situations where this might not be possible. Inclement weather, darkness or an unforeseen situation could affect the status of a playoff after the stipulated round is completed.

Therefore, if the above situation occurs in a regional final, and it is determined by the CIF and the SCGA that a playoff cannot take place, the following method will be used to determine the ninth qualifying spot for the individual play:

- A card off will take place for the individuals tied for the remaining qualifying spot(s). The USGA recommended tie breaking procedure will be used. The first criteria are the total scores for holes 10-18 for each individual. If there is still a tie, the scores from 13-18 are added. If a tie still exists, then holes 16-18 are used. If a tie still exists, then hole 18 is used. The winner(s) of the card off will advance to the state championship. The remaining individuals will be placed as Alternate #1 and Alternate #2 (based on card off) in case any of the individuals cannot participate on the day of the state finals. Note: If after this procedure, they are still tied, the same procedure will be used with holes 1-9. Holes 10-18 are the holes as noted on the scorecard, regardless of the hole that each player started their play.**
