CIF State Boys Golf Championship Participants:

Welcome, and congratulations on qualifying for the CIF State Boys Golf Championship. The California Golf Association is proud to partner with the CIF in hosting this prestigious championship. Everyone is anticipating an outstanding competition among California's finest high school players.

We are most grateful to the membership and staff at San Gabriel Country Club for making its exceptional course available to us. San Gabriel Country Club is one of the most venerable golf establishments in Southern California. Founded in 1904 on land that had been part of the historic San Gabriel Mission, it is the oldest golf club in Los Angeles and Orange counties that is still operating in its original location (its clubhouse occupies the original site). San Gabriel CC also has the oldest 18-hole golf course in Southern California, dating back to 1912.

The fertile land of the San Gabriel Mission proved to be a good location for a golf course, and the setting remains divine to this day – with views of the San Gabriel Mountains to the north and fairways accented by mature oak trees. As you play the course, you will notice that each hole is named after one of the California missions. In 2011 the club hosted the 112th SCGA Amateur Championship won by UCLA freshman, Patrick Cantlay, who also won the State CIF Championship in 2010. This will be the fourth time San Gabriel has hosted the CIF/CGA State High School Championship.

Please remember we are guests at the club, and we must abide by the club policies and dress code laid out in this document. Thank you in advance for your cooperation and, once again, welcome to the tournament.

Enclosed is important information on all aspects of the tournament. Please review the information as it is intended to help make your championship experience go as smoothly as possible. I wish you the best of luck in the tournament!

TOURNAMENT FORMAT (18 holes of stroke play)

Individual Competition: All boys who have qualified for the individual competition or team in their respective regional event shall be eligible to compete in this category. In individual competition, participants will play 18 holes of stroke play. In the event of a tie for 1st place there will be a sudden death playoff immediately following the conclusion of play. If the teams are still tied the tie will be decided by using the USGA method of matching score cards which totals the scores of all six players on each team for holes 10-18, if still tied holes 13-18, if still tied holes 16-18, if still tied hole 18.

CONDITIONS OF COMPETITION AND RULES

USGA Rules of Golf will govern all play. Local Rules, which apply during the tournament, will be distributed to all contestants by their starter. Each player understands and agrees to observe all regulations and conditions set forth by the SCGA Tournament Committee. Any questions will be referred to the SCGA Tournament Committee whose decision(s) shall be final.

COACHING - Limited communication between designated coach(es) and player(s) is permitted according to the rules stipulated in **Appendix A (Coaching Rules)**. All coaches are required to sign and submit at the event a copy of these rules indicating that they have read and understand the rules. Other than this limited communication, Rule 8 (Advice - see section immediately below) from the Rules of Golf applies.

ADVICE – Participants are reminded of Rule 8 (Advice) of The USGA Rules of Golf which specifically prohibits players from receiving any counsel or suggestion from anyone, (including their parents, coaches and other players, etc.) which could influence them in determining their play, the choice of a club, or the method of making a stroke. Note: Information on the Rules of Golf, distances to a hole location, and Local Rules for this tournament are not considered to be advice.

DISCONTINUANCE OF PLAY (NOTE TO RULE 6-8b) – Optional Condition as prescribed in Appendix I is in effect.

SCORE CARDS – A player is deemed to have returned his score card once he has left the scoring area.

CLOSE OF COMPETITION – A competition is deemed to have closed when the result (including the result of a playoff, if applicable) has been officially announced.

CODE OF CONDUCT – By submitting an entry for any SCGA-administered competition, the contestant understands that his/her participation is at the sole discretion of the SCGA. A contestant may be removed from any competition at the discretion of the SCGA staff or Rules and Competitions Committee at any time before or during the competition. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the SCGA or the “Spirit of the Game” are grounds for such removal and suspension from future SCGA-administered competitions. These include, but are not limited to the following: 1) Willful damage of the golf course or golf course property 2) Club throwing or unnecessary club tossing 3) Offensive or unbecoming language 4) Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants 5) Potential endangerment of others and 6) Conduct deemed unbecoming.

PACE OF PLAY POLICY SUMMARY – The responsibility for maintaining a good pace of play belongs with you, the player. If you fall behind on one hole, you are expected to play efficient golf and get back into position. This might mean playing ready golf for a hole or two and doing continuous putting – both of which are allowed in stroke play. Manage your time efficiently in between shots and be ready to play when it is your turn.

A group will be considered out of position if it reaches the tee of a par-3 hole and the preceding group has cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green.

When a group is out of position each player in the group is expected to play any stroke within 40 seconds after timing of the player’s stroke begins. Other than on the putting green, timing of a player’s stroke will begin when he has had reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next

stroke. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and / or behind the ball will count as part of the time taken for the next stroke.

PACE OF PLAY PENALTIES: One bad time exceeding the allotted time – Warning. A second bad time – 1 stroke penalty. A third bad time – Additional 2 stroke penalty. A fourth bad time – Disqualification

GENERAL LOCAL RULES

EMBEDDED BALL THROUGH THE GREEN – Local Rule as prescribed in Appendix I is in effect.

GROUND UNDER REPAIR – Defined by white lines. French drains are deemed to be ground under repair.

WHITE-LINED AREAS TYING INTO ARTIFICIALLY-SURFACED ROADS AND PATHS (DEC. 33-8/25) – have the same status as the roads and paths, that of obstructions.

SEAMS OF CUT TURF (SOD SEAMS) – The Local Rule as prescribed in Appendix I is in effect.

WOOD CHIPS, BARK AND MULCH – are loose impediments.

POWER LINES (DEC. 33-8/13) – If a ball strikes an overhead power line, the stroke is canceled and the player must play a ball as nearly as possible at the spot from which the original ball was played in accordance with Rule 20-5. See *Notice to Players* for further clarification.

EDGING GROOVES (DEC. 33-8/24) – If a ball lies on an edging groove around a putting green, the player may, without penalty, lift the ball, clean it and place it out of the groove in the nearest position to where it lay, whether on or off the putting green, which is not nearer the hole.

DISTANCE MEASURING DEVICES – Players may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 14-3. Any questions about such devices should be resolved before the start of the stipulated round. Cell phone use is not permitted during the stipulated round.

SAN MIGUEL: No. 2, Par 5, 525 yards - Dogleg left. A long tee shot can be hit to center across the barranca. A shorter tee shots can be hit to right side across the barranca or to the left side short of it. Desirable approach position is to right of center. Large green guarded by bunkers.

SAN JUAN CAPISTRANO: No. 3, Par 4, 381 yards - Desirable tee shot position is center or right-center depending on hole location. Tree line on left side catches a hooked or pulled tee shot. SAN LUIS REY: No. 4, Par 5, 550 yards - Large oak 100 yards in front of tee. Dense tree line on left side of fairway. From center position there is an open second shot. On the right side there is a continuous tree line to green from 135 yards. Small opening to large green surrounded by five bunkers.

SANTA INEZ: No. 5, Par 3, 195 yards - Accuracy on the tee shot is required. Out of bounds all the way on left side. Shallow fairway bunker stops a short shot. Bunkers on right and left sides of the relatively flat green.

SAN RAFAEL: No. 6, Par 4, 356 yards - A straight tee shot is required. Out of bounds all the way on the left side with heavy rough and trees on the right. Approach to green is deceptive because you must carry 15-yard-long swale in front of green. Bunkers on left and right sides of green.

SAN LUIS OBISPO: No. 7, Par 4, 443 yards - Dogleg right requires a cut shot off the tee. Out of bounds on left side. Also internal out of bounds on right side around wooded area and protecting the third fairway. Safe tee shot is played to the right of center. Large green with bunkers right and left.

SAN JOSE: No. 8, Par 4, 403 yards - Prevailing breeze against you. Out of bounds on left all the way. Trees on right side. Fairway bunker on left with four bunkers guarding the large green. Green slopes away from fairway and falls to the right.

DOLORES: No. 10, par 4, 439 yards - Wide fairway with trees on right and left sides. Some 225 yards from tee the fairway drops away to form a small valley leading up to the green. Desirable tee shot is right center. Large green with four bunkers, one on the left, two on the right and one behind.

SANTA BARBARA: No. 11, Par 3, 169 yards - Short shot to a dangerously guarded green. Bunkers in front, sides and back of long green running from right to left. This is a tricky green to putt, regardless of hole location.

SAN JUAN BAUTISTA: No. 12, Par 4, 355 yards - Open shot from tee. The desirable tee shot position is right center. Long, narrow green with four bunkers two on the right and two on the left.

LA PURISIMA CONCEPCION: No. 13, Par 5, 539 yards - Tight fairway guarded both left and right by trees with heavy rough on left side. Center position on tee shot opens up second shot for final approach. Narrow opening to green with bunkers on two sides and behind. Back area falls away toward Rubio Wash.

SAN FERNANDO: No. 14, Par 3, 214 yards - Demanding shot across the barranca. Large green well guarded in front by large pond on left side and bunker on right. Steep rise in ground behind green.

SAN BUENAVENTURA: No. 15, Par 4, 329 yards - Tee shot position is very important. Left center is ideal. Heavy rough and trees on left. Trees, fairway, bunkers and low area on right. Approach to green from right side guarded by high and overhanging trees. Bunkers in front and on both sides of long, two-level green.

CARMEL: No. 16, Par 4, 415 yards - Dogleg left. A long, tough hole. Tee shot position to right side between fairway bunkers. Out of bounds far right. Greens and heavy rough on left. Large green with bunkers right and left.

TO: ALL ADMINISTRATORS, COACHES AND ATHLETES

FROM: ROGER BLAKE, CIF EXECUTIVE DIRECTOR
DATE: April 2018
RE: EXPECTATIONS FOR SCHOOLS, COACHES AND STUDENT-ATHLETES IN PURSUING VICTORY WITH HONOR

The CIF was formed, and had its humble beginning, during the 1914-1915 school year with only 65,927 high school students in California; it has been estimated that less than 8,000 boys were participating on their high school athletic teams. Today, California high schools boast over 1.8 million students and this past school year more than 800,000 students participated in education-based athletics in California.

During the past century, education-based athletics transformed from an important local community event to one that is frequently on broadcast television and the Internet with full-time websites dedicated to recruiting and blogging about teams, student-athletes and coaches. Most however, still refer to education-based athletics as the last “true amateur sport” venue in America, because our mission and value system is based upon the core foundation of student participation, sportsmanship and fair play. While professional sports, collegiate athletics and even most youth programs have moved toward a business model where finances, income and winning is the sole mission, education-based sports still remains dedicated to providing opportunities for kids to compete in a safe and fair environment.

Sports add richness to a school culture by providing opportunities for any student who wants them. It is the largest “elective” program on any high school campus. Nationally, and here in California, participation by students in high school sports programs is at its highest level in history proving the desire and need is vast. In the process of deriving enjoyment from participation in athletics (Number one reason kids play sports: Fun), our students are learning life-long skills that help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extra-curricular activities attend more days of school, perform better in the classroom, and have less behavioral issues at school; lower dropout rates and lower alcohol and drug abuse rates, than students who do not participate. The data and the lists of participation benefits are endless.

It is true that we occasionally see acts of poor sportsmanship and behavior by a player or a coach, but the overwhelming majority of school contests reflect the positive elements of Pursuing Victory with Honorsm. True, the goal is always to win the contest, but education-based athletics, when done correctly, places the value of life lessons, character and sportsmanship ahead of winning. It is this ability of education-based sports leaders to keep athletics in its proper perspective that helps separate us from the rest.

It is vital that as parents, fans and education-based sports leaders that we remember that less than 2% of our participating students will go on and compete in college athletics. Kids participate in sports because it’s fun and the athletic fields and gymnasium classrooms our schools provide gives adults the opportunity to teach valuable lessons that might not be learned in any other environment. Creating life-long skills and helping create better citizens through participation in education-based athletics is the greatest gift we can give to the future.

We acknowledge that education-based, high school sports are enhancing students’ lives, and ours, in ways that few other activities could. And we agree that, regardless of what side of the field we sit on, attending a high school sporting event is an uplifting, enriching, family-friendly experience for all of us. We would be remiss if the CIF did not thank our CIF family of corporate sponsors who contribute and allow for all of us to experience the joy of education-based athletics.

Help us create an atmosphere where the students of California gain a love of competition and personal growth that will help them mature into productive and caring citizens through their participation in sports. As you enjoy these Championship contest, please help by teaching and demonstrating respect. Displays of good sportsmanship will say positive things about you and your school community, and hopefully remind us all that in the end, sports are meant to be fun and enjoyed by not only those participating, but those in attendance also.
