

Pebble Beach Resorts

Banquet Beverage List

2025 - 2026

Wines and prices contained herein are valid April 1, 2025 - March 31, 2026

Vintages subject to verification three weeks ahead of scheduled event

Requests for wines that are not part of the Pebble Beach Resort Beverage Program will be charged in full case quantities, irrespective of consumption.

A service charge of 20% will be assessed. PBC retains a portion of the service charge as an administrative fee; the remainder of the service charge is distributed to Banquets employees.

Sommeliers

Jesse Salazar joined the Pebble Beach wine team in 2022 after banking 20 years of wine retail experience in New York City. As part of his previous wine buying responsibilities, Jesse traveled extensively throughout the world's wine regions, with multiple excursions across France, Italy, Spain, Portugal, South Africa, and Japan. A Monterey native, he is delighted to be back on the Peninsula and has relished the opportunity to share his love of wine with guests and locals alike. Stop by Stave Wine Cellar to have a sip with our favorite Manager!

Ruilun Zhang, a Michigan State University Hospitality graduate, seamlessly blends operational expertise with a passion for wine exploration. Joining Pebble Beach Company in 2021, his journey into the world of wine was sparked by his time working on fine dining cruises in Chicago, where he immersed himself in the intricacies of the restaurant industry. Frequent visits to New York and Washington DC have broadened his understanding of the culinary landscape and fine-tuned his palate. Fluent in Chinese, Ruilun brings a global perspective to his wine journey, further enriched by his travels to different regions across Australia, Cuba, Japan, China, and Italy. An avid jazz enthusiast, Ruilun's diverse interests add another dimension to his pursuits. Currently undertaking the WSET diploma program, Ruilun's dedication to mastering the art of sommelier remains steadfast as he continues to expand his knowledge and expertise in the world of wine.

Brandon Mirani grew up in beautiful Carmel Valley, California after immigrating with his mother from Europe. While working as a busboy in high school, he observed sommeliers opening and decanting bottles of collectible and classic wines for their guests and was immediately inspired. Brandon quickly learned that being a sommelier was his calling and has spent nearly two decades working in all facets of the wine business. Brandon joined the team as Lodge Sommelier in August 2023 and is certified with the Court of Master Sommeliers, as well as a Level II Award recipient from the Wine and Spirit Education Trust (WSET) and hopes to continue his education to become an Advanced Sommelier and earn his WSET III certificate. Brandon has a passion for gourmet cuisine and enjoys curating unique wine and food pairings that enhance the culinary experience. Make sure to say "cheers!" the next time you see Brandon at one of the Lodge outlets.

Mixology

Meg Nielson is a native of Pennsylvania but has lived on the Monterey Peninsula for the last 25 years, developing a great fusion of East Coast work ethic and West Coast imagination. She maintains a wealth of knowledge in cocktail composition, as well as spirits history, both in brand and by category. A member of the Pebble Beach team for the last 12 years, leading our spirits program for the last seven, Meg's understanding of the Pebble Beach ethos and experience highlights the unparalleled emotion that Pebble Beach can evoke. Her hospitality heart, passion, and attention to detail are great assets, guaranteed to enhance the beverage program for your group or special event, leaving guests with lasting memories.

United States Bartenders Guild Spirits Professional, Edinburgh Whiskey Academy Diploma, Certified Sommelier- Court of Master Sommeliers, "T" certificate Consejo Regulador MX, Bar Smarts Advanced, Certified Sake Advisor Sake School of America, Edible Magazine Beverage Artisan of the Year 2016

Custom Cocktails - Let us design a specialty cocktail or mocktail that highlights the style of your wedding, branding, or themed banquet event

Pop-up Activation - Work with our team to create a station styled activation that caters to groups of all sizes on the flow. This style of activation would have a central theme and could stand alone or operate as part of a larger banquet activation. *Examples: Margarita Madness, Spritzes at the Spa, Bourbon Barrell Cocktail Collection*

Tasting on a Flow - Simple and straightforward, the mixologist will introduce spirit sampling and tasting techniques, speak to the four factors of distillate differentiation: Raw Materials, Production, Regionality & Maturation; flavor profiles, brand pedigree and evolution.

Guided Spirit Tasting - Let our team provide a classroom style spirits education in a private space accompanied by a tasting selection that supports the discussion focus. *Examples: One Tequila, Two Tequila, Three Tequila, Mezcal? or Whiskey R'evolution studying American Whiskey*

Competitive Mixology - A Fundamentals of Mixology informational session, followed by guest cocktail creation and presentation. A panel of three judges will score based on creativity, taste, and sales pitch

Cocktails & Culinary - A bespoke sampling selection of elevated cocktails paired with Chef's selection of light bites, we encourage you to join us in bringing together our favorites - cocktails and culinary!

Blind Spirits Tasting - A selection of spirits are placed in decanters, each represented by a Pebble Beach Golf Course Medallion. Guests will taste through the flight and fill out a score card guessing the production process and mash bill. All correct answers will be raffled to win one bottle of the sampled offerings

Custom Experiences - With so many creative minds all over the globe, we could never limit ourselves to our own imaginations. Let our wine & spirits professionals embrace and match your creative spirit with a Pebble Beach spin. We can develop any concept that you have, whether you saw it somewhere else in the world or on your daily social media feed
