– CALIFORNIA –
AMATEUR
CHAMPIONSHIPS

CIF State Boys Golf Championship Participants:

Welcome, and congratulations on qualifying for the CIF State Boys Golf Championship. The California Golf Association is proud to partner with the CIF in hosting this prestigious championship. Everyone is anticipating an outstanding competition among California's finest high school players.

We are most grateful to the membership and staff at San Gabriel Country Club for making its exceptional course available to us. San Gabriel Country Club is one of the most venerable golf establishments in Southern California. Founded in 1904 on land that had been part of the historic San Gabriel Mission, it is the oldest golf club in Los Angeles and Orange counties that is still operating in its original location (its clubhouse occupies the original site). San Gabriel CC also has the oldest 18-hole golf course in Southern California, dating back to 1912.

The fertile land of the San Gabriel Mission proved to be a good location for a golf course, and the setting remains divine to this day – with views of the San Gabriel Mountains to the north and fairways accented by mature oak trees. As you play the course, you will notice that each hole is named after one of the California missions. In 2011 the club hosted the 112th SCGA Amateur Championship won by Patrick Cantlay, who also won the State CIF Championship in 2010. Other notable PGA Tour players who've won the CIF State champions include Ricky Fowler and Xander Schauffele. This will be the sixth time San Gabriel has hosted the CIF/CGA State Boys High School Championship.

Please remember we are guests at the club, and we must abide by the club policies and dress code laid out in this document. Thank you in advance for your cooperation and, once again, welcome to the tournament.

The *Rules of Golf* will govern all play. Local Rules, which apply during the tournament, will be distributed to all contestants by their starter. Each player understands and agrees to observe all regulations and conditions set forth by the SCGA Tournament Committee whose decision(s) shall be final.

COACHING - Limited communication between designated coach(es) and player(s) is permitted according to the rules stipulated in Rule 24.4. All coaches are required to sign and submit at the event a copy of these rules indicating that they have read and understand the rules. Other than this limited communication, Rule 10.2 (Advice - see section immediately below) from the Rules of Golf applies.

ADVICE – Participants are reminded of Rule 10.2 (Advice) of The Rules of Golf which specifically prohibits players from receiving any counsel or suggestion from anyone, (including their parents and other players, etc.) which could influence them in determining their play, the choice of a club, or the method of making a stroke. Note: Information on the Rules of Golf, distances to a hole location, and Local Rules for this tournament are not considered to be advice.

OUT OF BOUNDS – Defined by the line between the course-side points, at ground level, of white stakes and fence posts.

PENALTY AREAS – When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out of bounds, the penalty area extends to and coincides with out of bounds.

GROUND UNDER REPAIR – Defined by white lines. French drains are ground under repair.

WHITE-LINED AREAS TYING INTO ARTIFICIALLY-SURFACED ROADS AND PATHS – White-lined areas of ground under repair and the artificially surfaced roads, paths, or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under [Rule 16.1](#).

AERATION HOLES – As prescribed in Section 8 of the Committee Procedures is in effect. [Model Local Rule E-4](#).

RELIEF FROM SEAMS OF CUT TURF (SOD SEAMS) – Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. [Model Local Rule F-7](#).

STOPPING AND RESUMING PLAY – Local Rule as prescribed in Section 8 of the committee Procedures is in effect. [Model Local Rule J-1](#).

PRACTICE – Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule – 1st breach is General Penalty applied to the player's first hole. Penalty for 2nd breach – Disqualification.

WHEN COMPETITION IS FINAL – A competition is deemed to have closed when the result (including the result of a playoff, if applicable) has been officially announced and awards have been presented.

CODE OF CONDUCT – By submitting an entry for any SCGA-administered competition, the contestant understands that his/her participation is at the sole discretion of the SCGA. A contestant may be removed from any competition at the discretion of the SCGA staff or Rules and Competitions Committee at any time before or during the competition. Incidents of unbecoming conduct or actions deemed to be detrimental to the image of the SCGA or the "Spirit of the Game" are grounds for such removal and suspension from future SCGA-administered competitions. These include, but are not limited to the following: 1) Willful damage of the golf course or golf course property 2) Club throwing or unnecessary club tossing 3) Offensive or unbecoming language 4) Public criticism of golf course or verbal abuse of SCGA staff, officials, volunteers, host club staff or other contestants 5) Potential endangerment of others and 6) Conduct deemed unbecoming.

PACE OF PLAY POLICY SUMMARY – The responsibility for maintaining a good pace of play belongs with you, the player. If you fall behind on one hole, you are expected to play efficient golf and get back into position. This might mean playing ready golf for a hole or two and doing continuous putting – both of which are allowed in stroke play. Manage your time efficiently in between shots and be ready to play when it is your turn. Determine club selection and yardage while others are playing rather than waiting to do so when it is your turn to play. Keep pace with the group in front of you and do not worry about where the group behind you is. If a group is out of position, an SCGA official will monitor and time them. Any group out of position will be informed by an SCGA official when they are being monitored and timed.

A group will be considered out of position if it reaches the tee of a par-3 hole and the preceding group has cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green.

When a group is out of position each player in the group is expected to play any stroke within 40 seconds after timing of the player's stroke begins. Other than on the putting green, timing of a player's stroke will begin when he has had reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next stroke. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and / or behind the ball will count as part of the time taken for the next stroke.

PACE OF PLAY PENALTIES: One bad time exceeding the allotted time – Warning. A second bad time – 1 stroke penalty. A third bad time – Additional 2 stroke penalty. A fourth bad time – Disqualification
