- SCGA Scratch League Championship: Journey at Pechanga, Temecula, November 16, 2023
- California Scratch League Championship: Poppy Hills GC, Pebble Beach, November 27, 2023

**DEFINITION OF TEAM:** Participating groups will have the option of determining how many professionals and how many amateurs will compete. This designation will be in place throughout the entirety of group play. Upon reaching the postseason, teams will be required to play with 7 players. A permanent roster is not required for each team. There is no limit as to the number of players who may be used during the season.

**New for 2023:** Teams are no longer required to submit their lineup and play in Handicap Index order. The SCGA recommends and encourages that Professionals still play together and in the lead group, but teams will be able to order their lineup by choice. For any Postseason competitions, Professionals and/or lowest index amateur player will play in the first group.

**Definition of an eligible Professional:** A member of the club's staff, including its teaching staff, who is not an amateur. Professionals must be employed at and paid by the club/facility they are representing. An independent instructor who is not on the club/facility payroll will not be considered eligible to participate.

**Definition of an eligible Amateur:** An amateur golfer that is listed on the club's active GHIN roster at the time of the club's first competition of the season.
